Lulac The Evolution Of A Mexican American Political Organization Ed1:

Mexicano Political Experience in Occupied Aztlan Armando Navarro, 2005-07-07 This exciting new volume from Armando Navarro offers the most current and comprehensive political history of the Mexicano experience in the United States Viewing Mexicanos today as an occupied and colonized people Navarro calls for the formation of a new movement to reinvigo

LULAC Benjamin Márquez, 2014-10-14 The League of United Latin American Citizens LULAC is one of the best known and active national organizations that represent Mexican Americans and their political interests Since its founding in Corpus Christi Texas in 1929 it has served as a vehicle through which Mexican Americans can strive for equal rights and economic assimilation into Anglo American society This study is the first comprehensive political history of LULAC from its founding through the 1980s M rquez explores the group s evolution from an activist grassroots organization in the pre and post World War II periods to its current status as an institutionalized bureaucracy that relies heavily on outside funding to further its politically conservative goals His information is based in part on many primary source materials from the LULAC archives at the University of Texas at Austin the Houston Public Library and the University LULAC publications as well as interviews with present and past LULAC activists M rquez places this history within the larger theoretical framework of incentive theory to show how changing and sometimes declining membership rewards have influenced people s participation in LULAC and other interest groups over time Ironically as of 1988 LULAC could claim fewer than 5 000 dues paying members yet a dedicated and skillful leadership secured sufficient government and corporate monies to make LULAC one of the most visible and active groups in Mexican American politics Given the increasing number of interest groups and political action committees involved in national politics in the United States this case study of a political organization s evolution will be of interest to a wide audience in the political and social sciences as well as to students of Mexican American and ethnic studies

Latino Politics en Ciencia Pol tica Tony Affigne, Evelyn Hu-DeHart, Marion Orr, 2014 More than 53 million Latinos now constitute the largest fastest growing and most diverse minority group in the United States and the nation OCOs political future may well be shaped by Latinos OCO continuing political incorporation In the 2012 election Latinos proved to be a critical voting bloc in both Presidential and Congressional races this demographic will only become more important in future American elections Using new evidence from the largest ever scientific survey addressed exclusively to Latino Hispanic respondents a Latino Politics a en Ciencia Pol tica a explores political diversity within the Latino community considering how intra community differences influence political behavior and policy preferences The editors and contributors all noted scholars of race and politics examine key issues of Latino politics in the contemporary United States Latino a identities latinidad transnationalism acculturation political community and racial consciousness The book contextualizes today OCOs research within the history of Latino political studies from the field OCOs beginnings to the present explaining how systematic analysis of Latino political behavior has over time become integral to the study of political science a Latino

Politics and Ciencia Política is thus an ideal text for learning both the state of the field today and key dimensions of Latino political attitudes

Leaders of the Mexican American Generation Anthony Quiroz, 2015-09-01 *Leaders of the Mexican American Generation* explores the lives of a wide range of influential members of the US Mexican American community between 1920 and 1965 who paved the way for major changes in their social political and economic status within the United States Including feminist Alice Dickerson Montemayor to San Antonio attorney Gus Garcia and labor activist and scholar Ernesto Galarza the subjects of these biographies include some of the most prominent idealists and actors of the time Whether debating in a court of law writing for a major newspaper producing reports for governmental agencies organizing workers holding public office or otherwise shaping space for the Mexican American identity in the United States these subjects embody the core values and diversity of their generation More than a chronicle of personalities who left their mark on Mexican American history *Leaders of the Mexican American Generation* cements these individuals as major players in the history of activism and civil rights in the United States It is a rich collection of historical biographies that will enlighten and enliven our understanding of Mexican American history

Felix Longoria's Wake Patrick Carroll, 2003-04-01 Private First Class Felix Longoria earned a Bronze Service Star a Purple Heart a Good Conduct Medal and a Combat Infantryman's badge for service in the Philippines during World War II Yet the only funeral parlor in his hometown of Three Rivers Texas refused to hold a wake for the slain soldier because the whites would not like it Almost overnight this act of discrimination became a defining moment in the rise of Mexican American activism It launched Dr Hector P Garcia and his newly formed American GI Forum into the vanguard of the Mexican civil rights movement while simultaneously endangering and advancing the career of Senator Lyndon B Johnson who arranged for Longoria's burial with full military honors in Arlington National Cemetery In this book Patrick Carroll provides the first fully researched account of the Longoria controversy and its far reaching consequences Drawing on extensive documentary evidence and interviews with many key figures including Dr Garcia and Mrs Longoria Carroll convincingly explains why the Longoria incident though less severe than other acts of discrimination against Mexican Americans ignited the activism of a whole range of interest groups from Argentina to Minneapolis By putting Longoria's wake in a national and international context he also clarifies why it became such a flash point for conflicting understandings of bereavement nationalism reason and emotion between two powerful cultures Mexicanidad and Americanism

The Latino/a Condition Richard Delgado, Jean Stefancic, 2011 Richard Delgado is University Professor at Seattle University Law School

Window on Freedom Brenda Gayle Plummer, 2003 Demonstrates how US foreign policy has been embedded in social economic and cultural factors of domestic and foreign origin It argues that the campaign to realize full civil rights for racial and ethnic minorities in the US is best understood in the context of competitive international relations

Discovering Texas History Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 The most comprehensive and up to date guide to Texas historiography of the past quarter century this volume of original essays will be

an invaluable resource and definitive reference for teachers students and researchers of Texas history Conceived as a follow up to the award winning A Guide to the History of Texas 1988 Discovering Texas History focuses on the major trends in the study of Texas history since 1990 In two sections arranged topically and chronologically some of the most prominent authors in the field survey the major works and most significant interpretations in the historical literature Topical essays take up historical themes ranging from Native Americans Mexican Americans African Americans and women in Texas to European immigrant history literature the visual arts and music in the state and urban and military history Chronological essays cover the full span of Texas historiography from the Spanish era through the Civil War to the Progressive Era and World Wars I and II and finally to the early twenty first century Critical commentary on particular books and articles is the unifying purpose of these contributions whose authors focus on analyzing and summarizing the subjects that have captured the attention of professional historians in recent years Together the essays gathered here will constitute the standard reference on Texas historiography for years to come guiding readers and researchers to future ever deeper discoveries in the history of Texas

FBI Surveillance of Mexicans and Chicanos, 1920-1980 José Angel Gutiérrez, 2020-09-10 A multi chapter book first of its kind that identifies describes and analyzes FBI documents revealing the hidden history of surveillance of Mexicans and Chicanos in the United States of America

Macho Men and Modern Women Claudia Roesch, 2015-10-16 Claudia Roesch offers a study of Mexican American families and evolving notions of masculinity and motherhood in the context of American family history The book focuses both on the negotiation of family norms in social expert studies and on measures taken by social workers and civil rights activists for families The work fills gaps in research regarding the history of the American family in the 20th century the history of Mexican Americans and the history of social sciences Taking a long term perspective from the first wave of Mexican mass immigration in the 1910s and 1920s until the new social movements of the 1970s the study takes into account influences of the Americanization and eugenics movements modernization theory psychoanalysis and the Chicano civil rights movement Thus Claudia Roesch offers important new findings on the nexus between the scientization of social work and changing family values in the age of modernity

Biscuits, the Dole, and Nodding Donkeys Norman D. Brown, 2019-10-22 A fascinating tour of Texas state politics during the Great Depression from the historian and author of Hood Bonnet and Little Brown Jug Keith J Volanto author of Texas Voices When the venerable historian Norman D Brown published Hood Bonnet and Little Brown Jug in 1984 he earned national acclaim for revealing the audacious tactics at play in Texas politics during the Roaring Twenties detailing the effects of the Ku Klux Klan newly enfranchised women and Prohibition Shortly before his death in 2015 Brown completed Biscuits the Dole and Nodding Donkeys which picks up just as the Democratic Party was poised for a bruising fight in the 1930 primary Charting the governorships of Dan Moody Ross Sterling Miriam Ma Ferguson in her second term and James V Allred this engrossing sequel takes its title from the notion that Texas politicians should give voters what they want When you cease to deliver the

biscuits they will not be for you any longer said Jim Pa Ferguson while remaining wary of federal assistance the dole in a state where the economy is fueled by oil pumpjacks nodding donkeys Taking readers to an era when a self serving group of Texas politicians operated in a system that was closed to anyone outside the state's white wealthy echelons Brown unearths a riveting little known history whose impact continues to ripple at the capitol Rich in personal detail and general audiences and aficionados of Texana will enjoy the colorful portraits of James and Miriam Ferguson Ross Sterling Tom Love John Nance Garner and others History Reviews of New Books

The Trouble with Unity Cristina Beltran, 2010-09-30 Cristina Beltran's powerful book *The Trouble with Unity* is timely for our age of Obama in which an ugly anti immigrant spirit looms large Don't miss it Cornel West Princeton University

Latina Lives, Latina Narratives Miroslava Chávez-García, 2021-06-27 This book brings together the most influential and widely known writings of Vicki L Ruiz a leading voice in the fields of Chicana o Latina o women's and labor history For nearly forty years Ruiz has produced scholarship that has provided the foundation for a rich and nuanced understanding of the ways in which Chicanas and Latinas negotiate the structures impinging on their everyday lives From challenging familial patriarchal cultural norms building interethnic social networks in the neighborhood and workplace and organizing labor unions to fighting gender and racial discrimination in the courts at work in the schools and on the streets Ruiz's studies have examined the countless struggles roadblocks and victories Chicanas and Latinas have faced in the twentieth century and beyond The articles in this book are organized chronologically to reflect the evolution of Ruiz's intellectual contributions as well as her commitment to integrating feminist history theory and methodology and show how she has generously offered insights reflections and humor in helping us define and shape who we are as mujeres Chicanas Latinas scholars teachers and mentors With its narrative flow and engaging prose Ruiz's scholarship connects with academic and public audiences and this collection fulfills a much needed demand in the teaching of women's Chicana o Latina o and labor history

Out of Touch: The Decline of Working Class Representation in Western Democracies: Case studies from the United States, Germany, and Japan Fabian Bauwens, 2018-12-01 21

The White Scourge Neil Foley, 1998-01-02 In a book that fundamentally challenges our understanding of race in the United States Neil Foley unravels the complex history of ethnicity in the cotton culture of central Texas This engrossing narrative spanning the period from the Civil War through the collapse of tenant farming in the early 1940s bridges the intellectual chasm between African American and Southern history on one hand and Chicano and Southwestern history on the other *The White Scourge* describes a unique borderlands region where the cultures of the South West and Mexico overlap to provide a deeper understanding of the process of identity formation and to challenge the binary opposition between black and white that often dominates discussions of American race relations In Texas which by 1890 had become the nation's leading cotton producing state the presence of Mexican sharecroppers and farm workers complicated the black white dyad that shaped rural labor relations in the South With the transformation of agrarian society into corporate

agribusiness white racial identity began to fracture along class lines further complicating categories of identity Foley explores the fringe of whiteness an ethno racial borderlands comprising Mexicans African Americans and poor whites to trace shifting ideologies and power relations By showing how many different ethnic groups are defined in relation to whiteness Foley redefines white racial identity as not simply a pinnacle of status but the complex racial social and economic matrix in which power and privilege are shared Foley skillfully weaves archival material with oral history interviews providing a richly detailed view of everyday life in the Texas cotton culture Addressing the ways in which historical categories affect the lives of ordinary people The White Scourge tells the broader story of racial identity in America at the same time it paints an evocative picture of a unique American region This truly multiracial narrative touches on many issues central to our understanding of American history labor and the role of unions gender roles and their relation to ethnicity the demise of agrarian whiteness and the Mexican American experience

The Illusion of Inclusion Rodolfo

Rosales,2010-07-05 To many observers the 1981 election of Henry Cisneros as mayor of San Antonio Texas represented the culminating victory in the Chicano community s decades long struggle for inclusion in the city s political life Yet nearly twenty years later inclusion is still largely an illusion for many working class and poor Chicanas and Chicanos since business interests continue to set the city s political and economic priorities In this book Rodolfo Rosales offers the first in depth history of the Chicano community s struggle for inclusion in the political life of San Antonio during the years 1951 to 1991 drawn from interviews with key participants as well as archival research He focuses on the political and organizational activities of the Chicano middle class in the context of post World War II municipal reform and how it led ultimately to independent political representation for the Chicano community Of special interest is his extended discussion of the role of Chicana middle class women as they gained greater political visibility in the 1980s

Remembering Conquest Omar

Valerio-Jiménez,2024-04-10 This book analyzes the ways collective memories of the US Mexico War have shaped Mexican Americans civil rights struggles over several generations As the first Latinx people incorporated into the nation Mexican Americans were offered US citizenship by the Treaty of Guadalupe Hidalgo which ended the war Because the 1790 Naturalization Act declared whites solely eligible for citizenship the treaty pronounced Mexican Americans to be legally white While their incorporation as citizens appeared as progress towards racial justice and the electorate s diversification their second class citizenship demonstrated a retrenchment in racial progress Over several generations civil rights activists summoned conquest memories to link Mexican Americans poverty electoral disenfranchisement low educational attainment and health disparities to structural and institutional inequalities resulting from racial retrenchments Activists also recalled the treaty s citizenship guarantees to push for property rights protection from vigilante attacks and educational reform Omar Valerio Jim nez addresses the politics of memory by exploring how succeeding generations reinforced or modified earlier memories of conquest according to their contemporary social and political contexts The book also examines collective

memories in the US and Mexico to illustrate transnational influences on Mexican Americans and to demonstrate how community and national memories can be used strategically to advance political agendas Texas Rupert N.

Richardson, Cary D. Wintz, Adrian Anderson, Ernest Wallace, 2016-05-23 Written in a narrative style this comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty first century this text successfully considers each era equally in terms of space and emphasis Claiming Rights and Righting Wrongs in Texas

Emilio Zamora, 2009 For Mexican workers on the American home front during World War II unprecedented new employment opportunities contrasted sharply with continuing discrimination inequality and hardship *Hispanics and the U.S. Political System* Chris Garcia, 2015-12-22 As the Hispanic population in the U S grows so too does its influence The general election in 2000 marked an era of increased influence and awareness by Hispanics in politics both as voters and politicians While it is clear that Latinos are influencing and changing politics the impact on politics in the U S is still not clear Authored by leading scholar F Chris Garcia and Gabriel Sanchez *Hispanics and the U S Political System Moving into the Mainstream* focuses on the historical contemporary and future role of Hispanics in the United States

When somebody should go to the book stores, search instigation by shop, shelf by shelf, it is in fact problematic. This is why we offer the books compilations in this website.
