Hendricks, 2023-08-29 The notion of care is at times misunderstood in the context of music education equated simply with kindness or associated with lowered expectations and is often dismissed without consideration of its full value to music learning When viewed through a student deficit perspective concepts of care might evoke unnecessary pity or a sense of rescue thereby positioning teachers and learners in a superior inferior relationship that may be unhealthy and unhelpful to either person Furthermore many well meaning approaches to care emphasize a unidirectional relationship from teacher to student discounting the ways in which a teacher also continues to learn and develop A more empowering conceptualization of care in music education involves sharing sharing experience sharing passion sharing excitement sharing goals and sharing humanness The Oxford Handbook of Care in Music Education addresses ways in which music teachers and students interact as co learners and forge authentic relationships with one another through shared music making Concepts of care addressed in the handbook stem from philosophies of relationship feminist ethics musical meaningfulness and compassionate music teaching These essays highlight the essence of authentic relationships and shared experiences between teachers and learners extending previous conceptions of care to meet the needs of contemporary music learners and the teachers who care for about and with them      *Shakin' All Over* George McKay, 2013-10-28 A groundbreaking study of the intersection of popular music and disability      *Billboard*, 2004-03-06 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      *The Baroness* Hannah Rothschild, 2013-03-19 Beautiful romantic and spirited Pannonica known as Nica named after her father's favorite moth was born in 1913 to extraordinary eccentric privilege and a storied history The Rothschild family had in only five generations risen from the ghetto in Frankfurt to stately homes in England As a child Nica took her daily walks dressed in white with her two sisters and governess around the parkland of the vast house at Tring Hertfordshire among kangaroos giant tortoises emus and zebras all part of the exotic menagerie collected by her uncle Walter As a debutante she was taught to fly by a saxophonist and introduced to jazz by her brother Victor she married Baron Jules de Koenigswarter settled in a chateau in France and had five children When World War II broke out Nica and her five children narrowly escaped back to England but soon after she set out to find her husband who was fighting with the Free French Army in Africa where she helped the war effort by being a decoder a driver and organizing supplies and equipment In the early 1950s Nica heard Round Midnight by the jazz pianist and composer Thelonious Monk and as if under a powerful spell abandoned her marriage and moved to New York to find him She devoted herself to helping Monk and other musicians she bailed them out of jail paid their bills took them to the hospital even drove them to their gigs and her convertible Bentley could always be seen parked outside downtown clubs or up in Harlem Charlie Parker would
