and intelligent songwriters of modern times a natural outsider who lived a tumultuous and tortured life In the course of his
deep research into Reed s life from a humble upbringing on Long Island to death from liver disease in 2013 Howard Sounes
interviewed more than 140 people who knew the artist intimately some of whom have not spoken publicly about him before
With new revelations from former wives and lovers family members fellow band members and celebrities and music industry

Dangerous Sex Hoffman R Hays, 2023-07-07 First published in 1966 The Dangerous Sex shows how the irrational concept of
the dangerous sex evolved and how it was and is used by man to maintain his dominance He examines sexual practices and
beliefs marriage customs and rituals and social behaviour in every society and every age from pre historic times to the
present day The result is a revealing picture of the deep seated male hostility that generates the way of the sexes and has fed
it throughout human history It is also a blazing indictment of this ingrained psycho social pattern as it unconsciously destroys
and disrupts huge areas of human happiness In this enquiry into misogyny H R Hays suggests that men must face their own
compulsions before a true and balanced relation between the sexes is achieved This book therefore throws a new light on the
problems of feminism the feminine mystique and the whole controversy concerning the place of women in society and will be
of interest to students of literature gender studies anthropology and psychology *Marvels & Tales* ,1998 Journal of fairy

 Schnitzler's *Reigen* Wedekind's *Die Büchse der Pandora* Eine Monstretragedie and Thomas's *Moral* and *Magdalena* reflect the gender inequity and interaction of their time as described in contemporary non literary texts The works represent a creative participation in gender discourse taking the side of social reformers who argued for a more equitable treatment of women including prostitutes The discrimination endured by prostitutes however is simply an extreme of what all women experienced The dramas expose male oppression of females while simultaneously portraying what women can do in order to achieve limited independence and self determination Women are victims rather than victimizers and male hypocritical attitudes cause women's suffering *The Set-Up* Ronald Hayman, 2024-11-01 Originally published in 1973 this book investigates the power and the pressures behind English theatre in the late 20th Century analysing its structure and systems and the way that money and motives flow through it On the one hand there are the organisations the big national companies the West End managements the regional repertory theatres the fringe groups the trade unions the Arts Council On the other are the individuals actors directors playwrights agents administrators Ronald Hayman's challenging book illuminates the conflicts and contradictions in the set up It is a mine of information about how theatres are run how shows pay their way and what happens when they don't *Selling Sex on Screen* Karen A. Ritzenhoff, Catriona McAvoy, 2015-07-16 Whether in mainstream or independent films depictions of female prostitution and promiscuity are complicated by their intersection with male fantasies In such films issues of exploitation fidelity and profitability are often introduced into the narrative where sex and power become commodities traded between men and women In *Selling Sex on Screen From Weimar Cinema to Zombie Porn* Karen A Ritzenhoff and Catriona McAvoy have assembled essays that explore the representation of women and sexual transactions in film and television Included in these discussions are the films *Breakfast at Tiffany's* *Eyes Wide Shut* *L.A. Confidential* *Pandora's Box* and *Shame* and such programs as *Buffy the Vampire Slayer* and *Gigolos* By exploring the themes of class differences and female economic independence the chapters go beyond textual analysis and consider politics censorship social trends laws race and technology as well as sexual and gender stereotypes By exploring this complex subject *Selling Sex on Screen* offers a spectrum of representations of desire and sexuality through the moving image This volume will be of interest not only to students and scholars of film but also researchers in gender studies women's studies criminology sociology film studies adaptation studies and popular culture **Fatal Women** Lynda Hart, 2023-11-14 A groundbreaking and provocative look at how violent women have been represented in literature plays film and performance *Fatal Women* builds a complex and original theory of how the shadow of the lesbian animates representations of violent women from the Victorian novel to films depicting women who kill Starting from the historical link between criminality and sexual deviancy Lynda Hart critiques constructions of gender race class sexualities and the cultural politics of the 1990s Her introductory chapter constructs a theory of female violence across the discourses of sexology criminology and psychoanalysis Subsequent
