**Amaneció temprano** Alberto Rial, 2024-09-11 Durante la pandemia de covid 19 Alberto Rial vivió el encierro y el aburrimiento comenzó a barajar recuerdos frente a la computadora con el objetivo de escribir sobre aquellos hechos que configuraron su vida en Venezuela Tomando como punto de partida el referéndum revocatorio de 2004 un momento crucial en la convulsionada vida política de los venezolanos el autor recrea su trayectoria vital en un viaje libre a través de la memoria su desarrollo profesional como ingeniero geofísico el descubrimiento de la geografía y la cultura de un país que se transforma rápidamente debido a la industrialización petrolera el gozo de la música y su pasión por el deporte el recuerdo de su padre llegado desde España en 1950 cuando Venezuela se consolidaba como un destino prometedor para los migrantes europeos su activismo político durante los primeros años del gobierno de Chávez y la decisión forzada de emigrar Con un estilo conversacional y ameno Alberto Rial nos propone un recuento autobiográfico pleno de anécdotas vibrantes sobre la Venezuela de las últimas décadas del siglo XX que contrapuesto sin matices con la tragedia social que ha significado la revolución bolivariana para el país nos exhorta a indagar en nuestro perfil cultural como posible causa de su surgimiento *Global Cultures* Elisabeth Young-Bruehl, 1994-12-09 An anthology of 62 stories from around the non Euro American world providing new definitions of cultural diversity and commonality and an invaluable tool for teachers responding to the growing need for multicultural literature Over the past two decades sweeping political changes and burgeoning new technologies have resulted in communities being increasingly defined in global as well as regional and national terms Although the intellectual terra nova of world cultures remains largely uncharted this anthology of sixty two stories from around the non Euro American world provides what Elisabeth Young Bruehl calls an introductory map to the great wealth of literary works now

being produced in at once the particular settings of the writers experiences and the global setting Young Bruehl finds that while the cultural diversity the stories exemplify is amazing so too is the similarity in thematic terms of the concerns that this diversity presents Thus she organized Global Cultures thematically to highlight and clarify how these worldwide cultures both converge and diverge A comprehensive general introduction outlines forces behind the transnational approach to literary study and chapter introductions contextualize each story Stories from India Cuba South Africa and Uruguay are connected by the theme of exile and immigration tales from Nigeria Guatemala Cameroon and Egypt share a theme of political violence and civil uprisings works from Taiwan Chile Jamaica and Syria describe commonalities of women facing effects of modernization prejudice war and immigration Global Cultures contributes to the fast growing body of contemporary short fictions newly available in English and is an invaluable resource to meet the need for multicultural literature
