The author creates intrigue and raises questions that could potentially be explored further as the story unfolds. The last part of the book hints at a mysterious and potentially divine encounter at the beach. It involves a man in a black suit and a hat and his actions appear to defy the laws of nature. This encounter raises questions about the nature of the man and his role in the protagonist's life. The themes of faith and trust in a higher power, God and guardian angels are introduced in the epilogue suggesting that the story delves into spiritual and philosophical realms.
