**Crusade against Drink in Victorian England** Lilian Lewis Shiman, 2016-01-07 Drink the curse of Britain was sweeping the land or so it seemed to many Englishmen in the early decades of the nineteenth century They held it responsible for crime poverty and many other ills of the rapidly industrializing towns A moderation temperance reform organized in 1829 largely under middle class auspices soon gave way to a radical commitment to total abstinence in a great variety of worker self help groups When these too failed to change the drinking habits of most Englishmen the temperance movement sought new alliances In the 1870s and 1880s Gospel Temperance married temperance to revivalist religion It received the support of both established and non conformist churches and millions took the pledge But many did not and as religious enthusiasm faded the anti drink forces shifted their attention to the political arena After successfully pressuring the Liberal Party to adopt limited prohibition they mounted a great but unsuccessful campaign in the 1895 election With this defeat the anti drink crusade disintegrated leaving the dedicated teetotallers socially isolated in the safe haven of their drink free subculture

**Forward the Mage** Eric Flint, Richard Roach, 2002-03-01 Even the Philosophical Strangler's Hands are Tied when the King's Dreams Became Nightmares The youthful artist swordsman Benvenuti Sfondrati Piccolomini arrived in the city of Goimr just in time for disaster to strike The evil sorcerer Zulkeh had driven the King of the realm insane then fled from the city So much for Benvenuti's plans to become the Royal Artist Injury was added to insult when Benvenuti was immediately arrested by the Secret Police Then after barely managing to escape the clutches of the authorities he found himself embroiled with a revolutionary agitator and a gigantic madman Things were not as they seemed The wizard Zulkeh and his apprentice Shelyid were in fact guiltless Zulkeh had been summoned to interpret the King of Goimr's mysterious dream which the sorcerer came to realize foretold an impending catastrophe for civilization Zulkeh and Shelyid had actually left Goimr to discover the really important implications of the dream beyond the trifle of the dynasty's destruction Much to

the artist's dismay his adventures and those of the sorcerer were hopelessly intertwined Soon Benvenuti and his two companions were off in pursuit of Zulkeh trying to save the entire sub continent of Grotum from conquest by the Ozarean Empire Benvenuti was swept up in a whirlwind of revolutionary plotting and perilous wizardry as he traveled across the vast sub continent The only certainty was that he was on a quest the end of which he could not possibly fathom accompanying a female revolutionary whose beauty was only outdone by her ferocity It didn't help that he'd fallen in love with her especially since her brother's help would be vital to the success of their enterprise Gwendolyn's brother Greyboar was the world's greatest professional strangler And they didn't call him the Thumbs of Eternity for nothing At the publisher's request this title is sold without DRM Digital Rights Management      **Dictionary of Jargon (Routledge Revivals)** Jonathon
