Biography Index Bea Joseph,1976 A cumulative index to biographical material in books and magazines The Third Reich and Yugoslavia Perica Hadzi-Jovancic,2020-08-06 The Third Reich and Yugoslavia focuses on economic and political affairs between the Third Reich and Yugoslavia before Germany attacked in April 1941 It observes the relations between the two countries primarily from an economic perspective with the political dimension forming a backdrop within which the economy operated Perica Hadzi Jovancic challenges the conventional scholarly wisdom which recognises economics as mainly being a tool of German foreign policy towards Yugoslavia Instead he successfully places economic dealings on both sides within the broader context of both the German economic and financial plans and policies of the 1930s as well as the existing trading ties between the two countries as they had been developing since the 1920s At the same time through detailed analysis of unpublished archival material Hadzi Jovancic explores the shared political relations from a new perspective one from which there is a much deeper understanding of Yugoslavia's motives and the resulting implications for the other great powers and the wider regional framework The book concludes that contrary to the traditional view in historiography and despite the dependency of Yugoslavia's foreign trade on the German market at the dawn of the Second World War Yugoslavia maintained both its economic and political agency in the shadow of the Third Reich It was only international political developments beyond Yugoslavia's control in the years ahead that lead to a more receptive stance towards German demands Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
