infiltrate organizations and destroy them from inside Within months the GIs have turned their fire on one another Then the interrogations begin to discover who among them has been brainwashed Manchurian Candidate style to assassinate their leaders When Matthew Sweet began investigating this story he thought the madness was over He was wrong Instead he became the confidant of an eccentric and traumatized group of survivors each with his own theory about the traitors in their midst All Sweet has to do is find out the truth And stay sane Which may be difficult when one of his interviewees accuses him of being a CIA agent and another suspects that he s part of a secret plot by the British royal family to start World War III By that time he s deep in the labyrinth of truths and half truths wondering where reality ends and delusion begins *Terror, Love and Brainwashing* Alexandra Stein,2021-03-17 This book explains how people can be radically manipulated by extreme groups and leaders to engage in incomprehensible and often dangerous acts through psychologically isolating situations of extreme social influence These methods are used in totalitarian states terrorist groups and cults as well as in controlling personal relationships Illustrated with compelling stories from a range of cults and totalitarian systems Stein s book defines and analyses the common identifiable traits that underlie these groups emphasizing the importance of maintaining open yet supportive personal networks Using original attachment theory based research this book highlights the dangers of closed isolating relationships and the closed belief systems that justify them and demonstrates the psychological impact of these environments ending with evidence based recommendations to support an educational approach to awareness and prevention Featuring a foreword by John Horgan the new edition has been fully updated to include recent work on political extremism and radicalization and totalitarian systems as well as the recent highly publicized NXIVM case *Terror Love and Brainwashing* second edition is essential reading for professionals policy makers legal professionals educators and cult survivors and their families themselves **Conversations with Lyndon LaRouche in a Time of Crisis** Lyndon H. LaRouche,2001 **Record** ,1993 **NeoConservatism** C. Bradley Thompson,2015-11-17 An obituary so soon Surely the reports of neoconservatism s death are greatly exaggerated C Bradley Thompson has written with Yaron Brook the most comprehensive and original analysis of neoconservatism yet published and in the process has dealt it a mortal blow *Neoconservatism An Obituary for an Idea* reveals publicly for the first time what the neocons call their philosophy of governance their plan for governing America This book explicates the deepest philosophic principles of neoconservatism traces the intellectual relationship between the political philosopher Leo Strauss and contemporary neoconservative political actors and provides a trenchant critique of neoconservatism from the perspective of America s founding principles The theme of this timely book neoconservatism as a species of anti Americanism will shake up the intellectual salons of both the Left and Right What makes this book so compelling is that Thompson actually lived for many years in the Straussian neoconservative intellectual world Neoconservatism therefore fits into the breaking ranks tradition of scholarly criticism and breaks the mold when it comes to informed incisive nonpartisan critique of neoconservative thought and action **Elections A to Z** Dave

Catherine H. Zuckert,Michael P. Zuckert,2008-11-15 Is Leo Strauss truly an intellectual forebear of neoconservatism and a powerful force in shaping Bush administration foreign policy The Truth about Leo Strauss puts this question to rest revealing for the first time how the popular media came to perpetuate such an oversimplified view of such a complex and wide ranging philosopher More important it corrects our perception of Strauss providing the best general introduction available to the political thought of this misunderstood figure Catherine and Michael Zuckert both former students of Strauss guide readers here to a nuanced understanding of how Strauss s political thought fits into his broader philosophy Challenging the ideas that Strauss was an inflexible conservative who followed in the footsteps of Nietzsche Heidegger and Carl Schmitt the Zuckerts contend that Strauss s signature idea was the need for a return to the ancients This idea they show stemmed from Strauss s belief that modern thought with its relativism and nihilism undermines healthy politics and even the possibility of real philosophy Identifying this view as one of Strauss s three core propositions America is modern modernity is bad and America is good they conclude that Strauss was a sober defender of liberal democracy aware of both its strengths and its weaknesses The Zuckerts finish appropriately by examining the varied work of Strauss s numerous students and followers revealing the origins rooted in the tensions within his own thought oftheir split into opposing camps Balanced and accessible The Truth about Leo Strauss is a must read for anyone who wants to more fully comprehend this enigmatic philosopher and his much disputed legacy
