**The Accidental Philanthropist** Sandor Frankel, 2021-08-10  
The True Story of an Extraordinary Journey from the Bronx to the Helm of the 5 Billion Helmsley Charitable Trust Doling Out Unimaginable Amounts of Money for the Good of the World The Author met his client in the prison s visitors room he the lawyer and she his client now being patted down by a guard following the first night of a four year sentence Identified here by an inmate number she was known worldwide the notorious Leona Helmsley owner of a gargantuan real estate portfolio the woman who had reputedly scoffed Only the little people pay taxes the queen of mean whom Newsweek described as rhymes with rich Wolfing down popcorn the author bought her from the prison vending machine she was one of the most maligned people on the planet What he saw though was a frightened 71 year old inmate alone and in need of something altogether absent from her life someone she could trust In her eyes he was perhaps the closest thing Two years earlier he had joined her legal team following her conviction for tax crimes Just two days before in her sumptuous Manhattan penthouse she ferociously fired one lawyer while the others quit He was the last man standing In time he became not just her go to lawyer but her consigliere He now had to deal with the countless people trying to dip a pinky or a shovel into her fortune She also presented him with a host of personal issues Ultimately she named him as one of her executors charged with overseeing and liquidating her multi billion dollar estate and also one of the trustees of a charitable trust she would fund to improve lives around the world That is how on Leona Helmsley s death in 2007 the author became a steward of her 5 billion fortune which he and his co trustees were duty bound to give away to causes and recipients they alone would determine Little in his life had prepared him for such a role He grew up in a lower middle class section of the Bronx wound up at Harvard Law School and built a successful career as a trial lawyer representing some of the rich and famous and some ordinary folks But overseeing perhaps the largest private real estate empire in the country selling all those properties and the assorted bonds diamonds and other playthings of the rich and choosing the goals of a vast charitable trust funded with those sales proceeds was something else altogether He tasted the nectar of instant popularity and became incontrovertible proof that when you control billions of dollars you become wittier funnier far more profound than you ve ever been and always worth listening to Friends pseudo friends former friends would be friends quasi friends friends of friends everyone comes knocking The Accidental Philanthropist tells how all this happened
