Universal Pronouncing Dictionary of Biography and Mythology Joseph Thomas,1896 All I Want Is Loving You Steve Bergsman,2023-10-30 In All I Want Is Loving You Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s These popular performers many of whom graduated out of the big bands of the 1940s impacted popular music in a huge way As the last bastion of traditional pop and the last sirens of swing they undeniably shined in the spotlight Yet these singers fame dimmed relatively quickly with the advent of rock n roll A fortunate few like Doris Day Patti Page Peggy Lee and Debbie Reynolds

experienced some of their biggest hits in the late 1950s and Eydie Gorm broke out in the 1960s The luckiest including Dinah Shore and Rosemary Clooney ventured to television with varying degrees of success Others would become major attractions at nightclubs in Las Vegas or like Teresa Brewer shift into the jazz world Though the moment did not last these performers were best selling singers darlings of the disk jockeys and the frenetic heartbeat of fan clubs during their heyday In a companion volume Bergsman has written the history of African American women singers of the same era These Black musicians transitioned more easily as a new form of music rock n roll skyrocketed in popularity In both books Bergsman reintroduces readers to these talented singers offering a thorough look at their work and turning up the volume on their legacy

Bruce Springsteen, Cultural Studies, and the Runaway American Dream Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music
