The Watch
Joydeep Roy-Bhattacharya, 2012-06-05 This heartbreaking and haunting novel takes a timeless tragedy and hurls it into present day Afghanistan when a woman asks for the return of her brother's body in the midst of a war Following a desperate

night long battle a group of beleaguered soldiers in an isolated base in Kandahar are faced with a lone woman demanding the return of her brother's body Is she a spy a black widow a lunatic or is she what she claims to be a grieving young sister intent on burying her brother according to local rites Single minded in her mission she refuses to move from her spot on the field in full view of every soldier in the stark outpost Her presence quickly proves dangerous as the camp's tense claustrophobic atmosphere comes to a boil when the men begin arguing about what to do next Taking its cues from the Antigone myth Roy Bhattacharya brilliantly recreates the chaos intensity and immediacy of battle and conveys the inevitable repercussions felt by the soldiers their families and by one sister The result is a gripping tour through the reality of this very contemporary conflict and our most powerful expression to date of the nature and futility of war **Technical Report**, 2004 **Airborne**

Tom Clancy, 1997-11-01 They are America's front lines serving proudly in forward areas around the world Representing the very best from the Army and Air Force the Airborne Task Force is an unstoppable combination of manpower and firepower Now Tom Clancy examines this elite branch of our nation's armed forces With pinpoint accuracy and a style more compelling than any fiction the acclaimed author of Executive Orders delivers an fascinating account of the Airborne juggernaut the people the technology and Airborne's mission in an ever changing world Two Tom Clancy mini novels real world scenarios involving the airborne task force Airborne's weapons of the 21st century including the Javelin anti tank missile the fiber optically guided NLOS fire support system and the Joint Strike Fighter 18 weeks Life in an Airborne Alert Brigade Exclusive photographs illustrations and diagrams PLUS An in depth interview with the incoming commander of the 18th Airborne Corps General John Keen The M16 Gordon L. Rottman, 2011-12-20 The M16 was first introduced in 1958 and was revolutionary for its time as it was made of lightweight materials including special aluminum and plastics It was first adopted by US Special Forces and airborne troops in 1962 before it was issued to Army and Marine units serving in Vietnam Its use spread throughout the following decades and a number of variants including submachine and carbine versions were also fielded As a result it is now amongst the three most used combat cartridges in the world while over 10 million M16s and variants have been produced making it one of the most successful American handheld weapons in history But despite its undeniable success the M16 is not without its detractors Indeed the black rifle as it is known is one of the most controversial rifles ever introduced with a long history of design defects ruggedness issues cleaning difficulties and reliability problems leading to endless technical refinements This volume provides a technical history of the M16 and the struggle to perfect it together with an assessment of its impact on the battlefield drawing on over a decade's combat experience with the rifle **Living with Honor** Salvatore Giunta, Joe Layden, 2012-12-04 There was the sound of a single bullet and then a deafening barrage of gunfire and explosions There were literally thousands of bullets in the air at once and more tracers streaking across the sky than there were stars overhead It was a miracle that most of us weren't killed instantly Staff Sergeant Salvatore Sal Giunta was the first living person to receive the Medal of Honor the highest honor presented by the U S military since the conclusion

of the Vietnam War In Living with Honor this hero who maintains he is just a soldier tells us the story of the fateful day in Afghanistan that led to his receiving the unique honor With candor insight and humility Giunta not only recounts the harrowing events leading up to when he and his company fell under siege but also illustrates the empowering invaluable lessons he learned As a seventeen year old teen working at Subway Giunta was like any other kid trying to figure out which step to take next with his life after graduating from high school When Giunta walked into the local Army recruiting center in his hometown he just wanted a free T shirt But when he walked out his curiosity had been piqued and he enlisted in the Army Deployed to Afghanistan Giunta soon learned from the more seasoned soldiers how different this war was compared to others that America had fought Stationed with the 173rd Airborne Brigade near the Afghanistan Pakistan border in the Korengal Valley also known as the Valley of Death Giunta and his company were ambushed by Taliban insurgents Giunta went into action after seeing that his squad leader had fallen Exposing himself to blistering enemy fire Giunta charged toward his squad leader and administered first aid while he covered him with his own body Though Giunta was struck by the relentless barrage of bullets he engaged the enemy and then attempted to reach additional wounded soldiers When he realized that yet another soldier was separated from his unit he advanced forward Discovering two rebels carrying away a U S soldier Giunta killed one insurgent and wounded the other and immediately provided aid to the injured soldier More than just a remarkable memoir by a remarkable person Living with Honor is a powerful testament to the human spirit and all that one can achieve when faced with seemingly impossible obstacles The President clasps the medal around my neck Applause fills the room But I know it s not for me alone I look at my mom and dad I look at Brennan s parents and I look at Mendoza s And I try to communicate to Brennan and Mendoza wordlessly This is for you and for everyone who has fought and died For everyone who has made the ultimate sacrifice I am not a hero I m just a soldier Salvatore A Giunta from Living with Honor Always Faithful, Always Forward Dick Couch, 2015-06-02 Established in 1986 the U S Special Operations Command was set up to bring the special operational disciplines of all branches of the military under a single unified command to act on missions involving unconventional warfare special reconnaissance foreign internal defense and direct action The Marine Special Operations Command MARSOC is the newest component of the military s shift toward a fully integrated Special Operations Command structure At first the Marines were strongly against any Marines serving under anyone other than another Marine Then 9 11 happened In the years following Marine forces found themselves growing more agreeable to inter branch operational command finally forming the Marine Special Operations Command in 2006 Always Faithful Always Forward follows the journey of a class of Marine candidates from their recruitment through assessment and selection to their qualification as Marines Special Operators Retired Navy Captain Dick Couch has been given unprecedented access to this new command and to the individual Marines of this exceptional special operations unit allowing him to chronicle the history and development of the Marine Special Operations Command and how they find recruit and train their special operators
