Brown, 2018-04-10 An emotionally charged debut novel of a family on the brink an autistic child his determined mother and her distant father who learn that when your world changes you find out who you really are While she was growing up Piper's father Lance the Silver Eagle Whitman became a national hero piloting a plane through an emergency landing But at home he was a controlling and overbearing presence in her life raining emotional and verbal abuse upon the entire family It s no surprise then that as an adult Piper has poured all of her energy into creating a warm and loving home for her own family while catering to her son Fred s ever growing idiosyncrasies Then Lance has a heart attack leaving him with a brain injury and dependent upon Piper for his care just before tests confirm Piper's suspicions that Fred is on the autism spectrum A powerful and extraordinary novel Flying at Night gives voice to Fred trying to find his place in a world that doesn t quite understand him to Lance who s lost what made him the man he was for better and worse and to Piper who while desperately trying to navigate the shifting landscape around her watches as her son and father start to connect in the most miraculous ways USMC M4A2 Sherman vs Japanese Type 95 Ha-Go Romain Cansière, Ed Gilbert, 2021-02-18 The different national tank doctrines of the United States and Imperial Japan resulted in a terrible mismatch of the predominant tank types in the crucial Central Pacific campaign A flawed Japanese doctrine emphasized light infantry support tanks often used in small numbers Tactically tanks were often frittered away in armored versions of the familiar banzai attacks Meanwhile the Americans saw the tank as an infantry support weapon but developed a more systematic tactical doctrine They settled upon a larger medium tank in the case of most Marine Corps tank battalions the diesel powered M4A2 unwanted by the US Army This superbly detailed title reveals how both the two sides tactical and technical differences in the approach to armored warfare soon became apparent over a series of deadly engagements from the first tank fight at the battle of Tarawa in November 1943 through to engagements on Parry Island Saipan and Guam before ending with Peleliu in September 1944 Subject Guide to Books in Print ,1971
