Time is Cows: Timeless Wisdom of the Maasai Tanya Pergola Ph.D.,2014-08-24 When American sociologist and wellness expert Tanya Pergola first visited Tanzania and Maasailand she became startlingly aware that she was in a place and with people who could teach her something profound She sensed that lodged within the colorful and beautiful rituals and

ceremonies of the indigenous Maasai people were gems of wisdom that could be harvested and shared as antidotes for our increasingly complex stressful and often enigmatic modern lives Dr Pergola undertook a ten year apprenticeship with Maasai traditional healers led by her guide Lekoko Ole Sululu in exchange for implementing sustainable development projects in Tanzania In *Time is Cows* she shares the mind body spirit medicine of the Maasai the proud pastoral people of East Africa In a voice that is at once crystal clear and spiritually alive one that thousands around the world have already come to know in her talks and classes on wellness yoga and nature healing her insight inspiration and empathy are present on every page as she shares her own knowledge and the wisdom of the Maasai compassionately and wholly Enriched with photographs stories and suggested practice tips *Time is Cows* is a handbook to help you simplify your life as you uncover its profound meaning

Tarangire: Human-Wildlife Coexistence in a Fragmented Ecosystem Christian Kiffner, Monica L. Bond, Derek E. Lee, 2022-04-22 This edited volume summarizes multidisciplinary work on wildlife conservation in the Tarangire Ecosystem of northern Tanzania By drawing together human centered wildlife centered and interdisciplinary research this book contributes to furthering our understanding of the often complex mechanisms underlying human wildlife interactions in dynamic landscapes By synthesizing the wealth of knowledge generated by anthropologists ecologists conservationists entrepreneurs geographers sociologists and zoologists over the last decades this book also highlights practicable and locally adapted solutions for shaping human wildlife interactions towards coexistence Readers will discover the reciprocal and often unexpected direct and indirect dynamics between people and wildlife While boundaries e g between people and wildlife between protected and un protected areas and between different groups of people are a common theme throughout the different chapters this book stresses the commonalities links and synergies between seemingly disparate disciplines opinions and conservation approaches The chapters are divided into clear sections such as the human dimension the wildlife dimension and human wildlife interactions representing a detailed summary of anthropological ecological and interdisciplinary research projects that have been conducted in the Tarangire Ecosystem over the last decades Beyond this work contributes to the debate about land sharing versus land sparing and provides an in depth case study for understanding the complexities associated with human wildlife coexistence in one of the few remaining ecosystems that supports migratory populations of large mammals The topic of this book is particularly relevant for students scholars and practitioners who are interested in reconciling the needs of human populations with those of the environment in general and large mammal populations in particular

Freedom of Religion at Stake Dion A. Forster, Elisabeth Gerle, Goran Gunner, 2019-11-01 How can freedom of religion protect the dignity of every human being and safeguard the well being of creation This question arises when considering the competing claims among faith traditions states and persons Freedom of religion or belief is a basic human right and yet it is sometimes used to undermine other human rights This volume seeks to unpack and wrestle with some of these challenges In order to do so scholars were invited from different contexts in Africa and Europe to write

about freedom of religion from various angles How should faith traditions in a minority position be protected against majority claims and what is the responsibility of the religious communities in this task When does the state risk overstepping its boundaries in the delicate balance between freedom of religion and other human rights How can new voices who claim their human rights in relation to gender roles reproductive rights and as sexual minorities be heard within their faith traditions These are some of the questions that are raised by the authors This is a book for all who are engaged in faith communities leaders as well as people trying to be recognized It is also important reading for all interested in international legal frameworks for freedom of religion state advisers and human right defenders **Indigenous Peoples** Victoria R.
