Jack M. Myers,1925 **The Cambridge History of Judaism: Volume 6, The Middle Ages: The Christian World** Robert Chazan,2018-10-31 Volume 6 examines the history of Judaism during the second half of the Middle Ages Through the first half of the Middle Ages the Jewish communities of western Christendom lagged well behind those of eastern Christendom and the even more impressive Jewries of the Islamic world As Western Christendom began its remarkable surge forward in the eleventh century this progress had an impact on the Jewish minority as well The older Jewries of southern Europe grew

and became more productive in every sense Even more strikingly a new set of Jewries were created across northern Europe when this undeveloped area was strengthened demographically economically militarily and culturally From the smallest and weakest of the world's Jewish centers in the year 1000 the Jewish communities of western Christendom emerged despite considerable obstacles as the world's dominant Jewish center by the end of the Middle Ages This demographic economic cultural and spiritual dominance was maintained down into modernity

Conversion, Circumcision, and Ritual Murder in Medieval Europe Paola Tartakoff, 2020-01-17 A investigation into the thirteenth century Norwich circumcision case and its meaning for Christians and Jews In 1230 Jews in the English city of Norwich were accused of having seized and circumcised a five year old Christian boy named Edward because they wanted to make him a Jew Contemporaneous accounts of the Norwich circumcision case as it came to be called recast this episode as an attempted ritual murder Contextualizing and analyzing accounts of this event and others with special attention to the roles of children Paola Tartakoff sheds new light on medieval Christian views of circumcision She shows that Christian characterizations of Jews as sinister agents of Christian apostasy belonged to the same constellation of anti Jewish libels as the notorious charge of ritual murder Drawing on a wide variety of Jewish and Christian sources Tartakoff investigates the elusive backstory of the Norwich circumcision case and exposes the thirteenth century resurgence of Christian concerns about formal Christian conversion to Judaism In the process she elucidates little known cases of movement out of Christianity and into Judaism as well as Christian anxieties about the instability of religious identity Conversion Circumcision and Ritual Murder in Medieval Europe recovers the complexity of medieval Jewish Christian conversion and reveals the links between religious conversion and mounting Jewish Christian tensions At the same time Tartakoff does not lose sight of the mystery surrounding the events that spurred the Norwich circumcision case and she concludes the book by offering a solution of her own Christians and Jews she posits understood these events in fundamentally irreconcilable ways illustrating the chasm that separated Christians and Jews in a world in which some Christians and Jews knew each other intimately

The Many Ways Jews Loved Constance Harris,2020-07-06 While acknowledging the ways in which persecution inevitably affects a community this book deviates from most Jewish studies to survey the ways in which Jewish history has been shaped by the everyday experience of love It examines erotic poetry sensual art and literature and biblical and rabbinic stories about lust It reviews the ways in which Jewish law has both encouraged and regulated sexual interaction and studies the diversity of Jewish attitudes toward such relationships found in a vast array of works whose authors and artists often speak to the confusion and failure of love while also finding a purpose in its pursuance It tells the stories of those people who revel in love and of others who remember love and grieve in its absence

Tales in Context Rella Kushelevsky,2017-11-13 A folkloric research project on Sefer ha ma asim In the thirteenth century an anonymous scribe compiled sixty nine tales that became Sefer ha ma asim the earliest compilation of Hebrew tales known to us in Western Europe The author writes that the stories encompass descriptions of herbs that cure leprosy a fairy princess with golden tresses using magic charms to heal her lover s wounds and restore him to life a fire breathing dragon a two headed creature and a giant s daughter for whom the rind of a watermelon containing twelve spies is no more than a speck of dust In Tales in Context Sefer ha ma asim in Medieval Northern France Rella Kushelevsky enlightens the stories meanings and reflects the circumstances and environment for Jewish lives in medieval France Although a selection of tales was previously published this is the first publication of a Hebrew English annotated edition in its entirety revealing fresh insight The first part of Kushelevsky s work Cultural Literary and Comparative Perspectives presents the thesis that Sefer ha ma asim is a product of its time and place and should therefore be studied within its literary and cultural surroundings Jewish and vernacular in northern France An investigation of the scribe s techniques in reworking his Jewish and non Jewish sources into a medieval discourse supports this claim The second part of the manuscript consists of the tales themselves in Hebrew and English translation including brief comparative comments or citations The third part An Analytical and Comparative Overview offers an analysis of each tale as an individual unit contextualized within its medieval framework and against the background of its parallels Elisheva Baumgarten s epilogue adds social and historical background to Sefer ha ma asim and discusses new ways in which it and other story compilations may be used by historians for an inquiry into the everyday life of medieval Jews The

tales in Sefer ha ma asim will be of special value to scholars of folklore and medieval European history and literature as well as those looking to enrich their studies and shelves **The Jewish Encyclopedia** Isidore Singer, Cyrus Adler, 1901 Glikl Glueckel (of Hameln), 2019-12-15 My dear children I write this for you in case your dear children or grandchildren come to you one of these days knowing nothing of their family For this reason I have set this down for you here in brief so that you might know what kind of people you come from These words from the memoirs Glikl bas Leib wrote in Yiddish between 1691 and 1719 shed light on the life of a devout and worldly woman Writing initially to seek solace in the long nights of her widowhood Glikl continued to record the joys and tribulations of her family and community in an account unique for its impressive literary talents and strong invocation of self Through intensely personal recollections Glikl weaves stories and traditional tales that express her thoughts and beliefs While influenced by popular Yiddish moral literature Glikl s frequent use of first person and the significance she assigns her own life experience set the work apart Informed by fidelity to the original Yiddish text this authoritative new translation is fully annotated to explicate Glikl s life and times offering readers a rich context for appreciating this classic work **A Mirror of Rabbinic Hermeneutics** Giuseppe Veltri, 2015-09-14 Rabbinic hermeneutics in ancient Judaism reflects this multifaceted world of the text and of reality seen as a world of reference worth commentary As a mirror it includes this world but perhaps also falsifies reality adapting it to one s own aims and necessities It consists of four parts Part I considered as introduction is the description of the Rabbinic Workshop Officina Rabbinica the rabbinic world where the student plays a role and a reformation of a reformation always takes place the world where the mirror was created and manufactured Part II deals with the historical environment the world of reference of rabbinic Judaism in Palestine and in the Hellenistic Diaspora Reflecting Roman Religion Part III focuses on magic and the sciences as ancient political and empirical activities of influence in the double meaning of receiving and adopting something and of attempt to produce an effect on persons and objects Performing the Craft of Sciences and Magic Part IV addresses the rabbinic concern with texts Reflecting on Languages and Texts as the main area of influence of the rabbinic academy in a space between the texts of the past and the real world of the present **Werewolves, Witches, and Wandering Spirits** Kathryn A. Edwards, 2002-11-01 Bringing together scholars from Europe America and Australia this volume explores the more fantastic elements of popular religious belief ghosts werewolves spiritualism animism and of course witchcraft These traditional religious beliefs and practices are frequently treated as marginal in more synthetic studies of witchcraft and popular religion yet Protestants and Catholics alike saw ghosts imps werewolves and other supernatural entities as populating their world Embedded within notarial and trial records are accounts that reveal the integration of folkloric and theological elements in early modern spirituality Drawing from extensive archival research the contributors argue for the integration of such beliefs into our understanding of late medieval and early modern Europe **Ma'aseh Book** ,1934

Children and Yiddish Literature From Early Modernity to Post-Modernity Gennady Estraiikh, Kerstin Hoge, Krutikov

Mikhail, 2016-05-20 Children have occupied a prominent place in Yiddish literature since early modern times but children's literature as a genre has its beginnings in the early 20th century. Its emergence reflected the desire of Jewish intellectuals to introduce modern forms of education and promote ideological agendas both in Eastern Europe and in immigrant communities elsewhere. Before the Second World War a number of publishing houses and periodicals in Europe and the Americas specialized in stories, novels and poems for various age groups. Prominent authors such as Yankev Glatshteyn, Der Nister, Joseph Opatoshu, Leyb Kvitko made original contributions to the genre while artists such as Marc Chagall, El Lissitzky and Yisakhar Ber Rybak also took an active part. In the Soviet Union meanwhile children's literature provided an opportunity to escape strong ideological pressure. Yiddish children's literature is still being produced today both for secular and strongly Orthodox communities. This volume is a pioneering collective study not only of children's literature but of the role played by children in literature.
