**Lighthouses and Life Saving Along the Maine and New Hampshire Coast** James Claflin, James W. Claflin, 1999 Lighthouses and Life Saving along the Maine and New Hampshire Coast is a unique tribute to the men and women who protected mariners as they traveled along New England's rocky coastline With thousands of vessels plying the dangerous waters the chance of a shipping disaster was always great Hundreds of shipwrecks did indeed occur off the coast with startling losses Through descriptive text and a variety of vintage images from private as well as museum collections we get a rare glimpse into the lives of the dedicated government men and women Author James Claflin combines an extensively researched text with this exquisite collection of previously unpublished images to tell the story of an area heavily dependent on its coastal commerce The task of lighting and protecting the coasts was taken on by the U S Light House Establishment and the U S Life Saving Service later merged to become the U S Coast Guard Within these pages see the Boon Island Lighthouse keeper his family alongside as he proudly poses in his uniform life savers at Hunniwells Beach station as they pull through a blinding snowstorm to rescue the crew of a stranded schooner and the way of life on an offshore lightship Lighthouses and Life Saving along the Maine and New Hampshire Coast is a visual journey into our nation's maritime history
