Ellsworth Kalas,2010-09-01 In this study Kalas opens up new possibilities of insight into the familiar Ten Commandments by restating them in the positive and showing how they were intended to make life richer and more fulfilling Kalas uses contemporary illustrations and personal experience to show how these timeless laws give us an appetite for divine excellence Includes study guide 10 sessions **God, the Ten Commandments and Jesus** Carine Mackenzie,2003-11 This book illustrates the Ten Commandments given to God's people on Mount Sinai You also discover Jesus and how he kept these commandments perfectly **The Ten Commandments of God & The Sermon on the Mount of Jesus of Nazareth** Gabriele,2022-08-15 The Ten Commandments The Sermon on the Mount The Ten Commandments of God and the Sermon on the Mount of Jesus of Nazareth have nothing to do with religion They are excerpts from the eternal law of the love for God and neighbor given for every person regardless of culture or nationality Discover the offer of God the Free Spirit to learn how these simple instructions for life can change our life to the positive Read the explanations on the Ten Commandments given in the words of our time and immerse yourself in the explanations that Christ Himself reveals on the teachings of the Sermon on the Mount given through Gabriele the prophetess and emissary of the Eternal Kingdom **The Ten Commandments: Introducing Armageddon** Debora Roth Brewer,2006-06-16 THE TEN COMMANDMENTS Introducing Armageddon is Debora Roth Brewer's first published work that details the controversial ten covenant commandments from G D to the Jewish nation of Israel The author makes a distinction between the first spoken articles of the Law of G D and these ten covenant commandments by defining the two Hebrew words mitsvah and dabar that are translated into the English word commandments Taking the reader on an in depth study starting with preparation of the children of Israel to receive G d's Law from Mount Sinai in the book of Exodus chapter Nineteen the secret to unlocking Armageddon is found in scripture The first ten articles of the Law of G d found detailed in Exodus Chapter 20 is what is traditionally accepted by the known Church world as the ten commandments As the reader embarks on a biblical study it is discovered that G D calls another passage of scripture from Exodus the tenets of His covenant with Moses Israel and specifically names these words the ten commandments Without undermining the importance of today's ten commandments Debora Roth Brewer challenges the reader to delve deeper into the word of G d to discover the covenant between G d and the nation of Israel that is just now being revealed by the Spirit of G d Spurred on by a what does it matter attitude from fellow Christians and direct opposition from denominational mind sets the author cried out to GOD for inspiration The LORD took her on a journey through His Word From Moses to Zephaniah and from Jesus to John the Revelator this book will challenge the Biblical novice and also intrigue the doctors of the law This book is not for the lukewarm at heart toward the things of G d but is aimed at those whose opinions are either hot or cold If you have a definite opinion about the nation of

,1848 **The Ten Commandments** ,1947 Moses, The Ten Commandments, And Me Hal H. Eaton,2014-04-11 In Moses
the Ten Commandments and Me Rev Eaton re excavates the familiar turf of the Ten Commandments to highlight their
undeniable relevance to our modern lives illuminating the writing of Moses within the contexts of language history and
Moses life experiences With engaging illustrations pulled from his years of preaching and teaching Eaton examines each
commandment with reference to current political and social issues extrapolating contemporary meaning from the ancient
texts Eaton shows in relatable style how these core directives apply perfectly to God s children in the 21st century Now as
then the Ten Commandments are revealed to be the blueprint for happy relationships and living life as God would have us
live it that is abundantly The Ten Commandments A. T. S.,1880 **The Ten Commandments** Dennis
Prager,2015-04-06 The most important words ever written are the Ten Commandments These words changed the world when
they were first presented at Mt Sinai to Israelites and they are changing it now They are the foundation stones of Western
Civilization Given their staggering importance you would think that all societies and certainly our educational and religious
institutions would be intent on studying them closely Sadly this is not the case Our schools ignore them and our churches and
synagogues take them for granted But here s a simple test Who among us can even name all of the Ten Commandments And
even among those who can name them how many can explain them in a way that makes sense to the modern eye and ear If
you are a person of faith this book will strengthen it if you are agnostic it will force you to rethink your doubts if you re
atheist it will test your convictions For people who have thought little about the Ten Commandments as well as for those who
have a sophisticated understanding of them it will be a revelation That s a lot to ask of a little book but the only thing that s
little here is the length The ideas are very big
