## Macarthur In Japan:

**The Conqueror Comes to Tea** John La Cerda,2018-12-01 The story of Japan is no longer if it was ever the delicate words and prints of the travel literature of the nineteenth and early twentieth centuries A scheme for ruling the world has been followed by a costly war the war by unconditional surrender the surrender by occupation From these tumbling events is emerging the new story with characters and plots aplenty in the stark sometimes terrifying and always swiftly moving drama of Japan today It has all the makings of a novel Dear General MacArthur Sodei Rinjiro,2006 This work compiles some 120 letters from Japanese citizens to General Douglas MacArthur during the postwar occupation of Japan 1945 1952 These letters evoke the unfiltered voices of people of all classes and occupations during the tremendous upheaval of the early postwar period *Reports of General MacArthur: suppl. MacArthur in Japan: The occupation, military phase* Supreme Commander for the Allied Powers,1966 **Reports of General MacArthur: suppl. MacArthur in Japan: The occupation, military phase** Supreme Commander for the Allied Powers,1966 **Reports of General MacArthur: supplement. MacArthur in Japan: the occupation, military phase** Douglas MacArthur,1994 **With MacArthur in Japan** William Joseph Sebald,Russell Brines,1965 General MacArthur s political advisor describes the problems and policies of the Army in Japan and events which led to MacArthur s dismissal by President Truman **With MacArthur in Japan** William Joseph Sebald,Russell Brines,1967 MacArthur's Japan Russell Brines,1948 **MacArthur in Asia** Hiroshi Masuda,2012-10-05 General Douglas MacArthur s storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country s future president Emanuel L Quezon In 1935 he became Quezon s military advisor a post he held after retiring from the U S Army and at the time of Japan s invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan s surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In *MacArthur in Asia* the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general s staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both MacArthur s and the region s history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation Soldier of God Ray A. Moore,2011 *Soldier of God* is a study of General Douglas MacArthur s effort to influence the religious life of Japan by suppressing native religions and enabling the propagation of Christianity in

that country during the American occupation 1945-1952 As Supreme Commander of the Allied Powers SCAP MacArthur said it was his duty as a Soldier of God and of the Republic to fill the moral vacuum in Japan by restoring and reviving religion After an introduction to Japan's prewar encounter with Christianity this study focuses on four major issues Part One describes the efforts of the Foreign Missions Conference (FMC) of the American Council of Churches to resume proselytizing in postwar Japan The FMC arranged with the American government to send a church delegation to Japan and President Truman gave a letter to the church leaders addressed to Emperor Hirohito Part Two explores the delegates' meetings with MacArthur Emperor Hirohito Japan's prime minister and Japanese Christian leaders Convinced that Japan was a fertile field for propagating Christianity the FMC in the U.S. laid plans for sending missionaries to support MacArthur's scheme for Christianizing Japan Part Three explores the Imperial family's apparent interest in Christianity The empress took Bible lessons and the crown prince, now emperor, studied English and the Bible with an American Quaker woman The book presents evidence that the major concern of Imperial advisers and staff was to save Emperor Hirohito from trial as a war criminal Part Four examines MacArthur's policy of using the Christian community to counter the growing influence of Communism in Japanese schools He supported the creation of a new International Christian University to oppose leftist influence among Japan's youth This book makes an important contribution to the ongoing study of MacArthur the Occupation and Christianity in Japan

**REPORTS OF GENERAL**

**MACARTHUR** Gen Douglas MacArthur, MacArthur's General Staff, 2016-11-30 From Melbourne five thousand miles away at the bottom of the world General MacArthur by mid 1945 had smashed his way back to the very outposts of the Japanese homeland itself Buna Biak the Philippine Sea Leyte a tremendous itinerary of two and a half years against a fanatically resisting foe At the end of June he paused to assemble his forces grown from scattered relatively green American troops and a small but battle hardened section of Australians into a mighty concentration of power On the ground in the air and on the sea they were massing for what would be the final drive against the Japanese stronghold the homeland archipelago Enemy resistance was to be pulverized in an invasion drive that would begin in the fall of 1945 and be continued in a second phase in the spring of 1946 Operation Olympic would launch an amphibious assault by veteran Sixth Army troops against southern Kyushu to secure the needed beachhead Tremendous hammer blows by air and sea would soften up the formidable objective before the troops went in Then in Operation Coronet three corps including eight divisions of the Eighth Army and two more corps of the First Army would be catapulted into the heart of the Tokyo Plain itself It was expected to be costly Reports of General MacArthur: suppl.
