Macdowell Colony A Musical History Of Americas Premier Artists Community:

The Macdowell Colony, 2003 The MacDowell Colony Bridget Falconer-Salkeld, 2005 Presenting a musical history of the MacDowell Colony in the fullest sense this work also contains new discoveries in several areas It is a survey of 19th and early 20th century art colonies in the United States and with reference to a French exemplar provides a context for the founding of the MacDowell Colony in 1907 The various formative pressures influences and motivations of the colony are explored and its philosophical basis is identified and discussed MacDowell E. Douglas Bomberger, 2013-07-09 Edward MacDowell was born on the eve of the Civil War into a Quaker family in lower Manhattan where music was a forbidden pleasure With the help of Latin American migr teachers he became a formidable pianist and composer spending twelve years in France and Germany establishing his career Upon his return to the United States in 1888 he conquered American audiences with his dramatic Second Piano Concerto and won his way into their hearts with his poetic Woodland Sketches Columbia University tapped him as their first professor of music in 1896 but a scandalous row with powerful university president Nicholas Murray Butler spelled the end of his career MacDowell died a broken man four years later but his widow Marian kept his spirit alive through the MacDowell Colony which she founded in 1907 in their New Hampshire home and which is today the oldest and one of the most influential thriving artist colonies in the the United States Drawing on private letters that were sealed for fifty years after his death this biography traces MacDowell s compelling life story with new revelations about his Quaker childhood his efforts to succeed in the insular German music world his mysterious death and his lifelong struggle with Seasonal Affective Disorder Edward MacDowell s story is a timeless tale of human strength and weakness set in one of the most vibrant periods of American musical history when optimism about the country s artistic future made anything seem possible *Mabel Daniels: An American Composer in Transition* Maryann McCabe, 2017-10-05 Mabel Daniels 1877 1971 *An American Composer in Transition* assesses Daniels within the context of American music of the first half of the twentieth century Daniels wrote fresh sounding works that were performed by renowned orchestras and ensembles during her lifetime but her works have only recently begun to be performed again The book explains why works by Daniels and other women composers fell out of favor and argues for their performance today This study of Daniels s life and works evinces transition in women s roles in composition the professionalization of women composers and the role that Daniels played in the institutionalization of American art music Daniels s dual role as a patron composer is unique and expressive of her transitional status **Music and Musical Composition at the American Academy in Rome** Martin Brody, 2014 Combining cultural analysis with historical and personal accounts of a century of musical life at the American Academy in Rome this volume provides a history of the AAR s Rome Prize in Composition The Cultural Sociology of Art and Music Lisa McCormick, 2022-12-16 This edited collection develops the Strong Program s contribution to the sociological study of the arts and places it in conversation with other cultural perspectives in the field Presenting some of the newest and

most original research by both renowned figures and early career scholars the volume marks a new stage in the development of the cultural sociology of art and music The chapters in Part 1 set new agendas by reflecting on the field's history presenting theoretical innovations and suggesting future directions for research Part 2 explores aesthetic issues and challenges in the creation experience and interpretation of art and music Part 3 focuses on the material environments and social settings where people engage with art and music In Part 4 the contributors examine controversies about music and contestation over artistic matters whether in the public sphere in the American judicial system or in an emerging academic discipline The editor's introduction and Ron Eyerman's afterword place the chapters in context and reflect on their collective contribution to meaning centered sociology

Legacies of Power in American Music Judith A. Mabary, 2022-10-24 This volume honors and extends the contributions of educator and scholar Dr Michael J Budds to the field of musicology particularly the study of American music As the longtime editor of two book series for the College Music Society Budds nurtured a wide range of scholarship in American music and had a lasting impact on the field This book brings together scholars who worked with Budds as a colleague editor or mentor to carry on his legacy of passionate engagement with America's rich and varied musical heritage Ranging through jazz gospel Americana and film music to American classical and addressing music's social contexts and analytical structure the research gathered here attests to the diversity of the mosaic that is American music and the numerous scholarly approaches that have been taken to the subject

The MacDowell Colony Bridget Falconer-Salkeld, 2005-06-27 As one of America's greatest cultural assets New Hampshire's MacDowell Colony has hosted some of the twentieth century's most respected musicians By first presenting a well informed survey of nineteenth and early twentieth century artist colonies in the United States a clear context for the founding of the MacDowell Colony in 1907 is presented The unique formative pressures influences and motivations of the Colony are discussed in depth offering the reader an informed understanding of its unique tradition of excellence Subsequent material in this volume chronicles the pioneering work accomplished at the Colony from 1910 through the end of the twentieth century when the community began to attract the attention of public and charitable endowments The expanding reputation of the colony is seen to have been accompanied by the perpetuation of high achievement by colony composers decade after decade Comprehensive appendixes include transcriptions of interviews with Barbara Kolb Russell Oberlin Howard Shanet and many other notable associates of the Colony These interviews reveal some of the community's most endearing characteristics and document the profound importance of place and community in the creative process

Circle of Winners Denise Von Glahn, 2023-08-01 An essential high culture institution the John Simon Guggenheim Memorial Foundation has both supported and molded American musical culture Denise Von Glahn examines the Foundation and its immense influence from the organization's prehistory and origins through the onset of World War II Funded by the Guggenheim mining fortune the Foundation took early shape from the efforts of Carroll Wilson Frank Aydelotte and Henry Allen Moe three Rhodes Scholars

who initially struggled to envision and implement the organization's ambitious goals Von Glahn also examines the career of the longtime musical advisor Thomas Whitney Surette while profiling early awardees Aaron Copland Ruth Crawford Seeger William Grant Still Roger Sessions George Antheil and Carlos Chavez She examines the processes behind their selection their values and aesthetics and their relationships with the insiders and others who championed their work *The Bulletin of the Society for American Music* ,2006 *American Music* ,2007 *American Book Publishing Record* ,2003 *The American Organist* ,2007

Common Purse, Uncommon Future Joseph C. Manzella,2010-09-02 This book documents the wide range of contemporary communes and other intentional communities providing sanctuaries for like minded people to pursue cooperative alternatives to media stoked consumerism and the relentless tempo of change that characterizes mainstream life in 21st century America and Europe Common Purse Uncommon Future The Long Strange Trip of Communes and Other Intentional Communities explores the many new types of communal living being tried in America and Europe today A growing number of people disenchanted with the pressures and demands of mainstream lifestyles are drawn by the nostalgic appeal of traditional mostly agrarian and artisanal lifestyles as practiced in residential communities where liminal rituals of membership serve to validate pacts to live and work together in cooperative social and economic relations Manzella focuses on the ways in which today's most innovative and controversial ecovillages diverge from the hippie communes of yesteryear's counterculture and from older communal forms such as kibbutzim and arts and crafts colonies and how today's nonsectarian spiritual and volunteer service communities differ from traditional religious communes and ashrams He reports his field investigations of a whole new generation of communal living experiments such as residential land trusts survivalist retreats urban cohousing green housing cooperatives student co ops and New Age organic agrarian communes **Choice** ,2006 *Book Review Index* ,2006 Every 3rd issue is a quarterly cumulation
