Machiavelli and Renaissance Italy John Rigby Hale, 1960 **Machiavelli and Renaissance Italy** J R (John Rigby) 1923-1999 Hale, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant MacHiavelli and Renaissance Italy J. R. Hale, 2003-01-01 **History of Florence and of the Affairs of Italy** Niccolò Machiavelli, 2019-11-20 In History of Florence and of the Affairs of Italy Niccol Machiavelli provides a meticulous chronicling of Italian history from a vantage point steeped in political realism and philosophical inquiry Written in a narrative style that seamlessly blends analytical discourse with historical recounting the text explores the political complexities and social dynamics of the Florentine Republic and its interactions with neighboring states during the late Medieval and Renaissance periods Machiavelli s insights into power governance and the nature of human behavior reveal not only the historical context but also the foundational principles that would influence modern political thought Machiavelli a diplomat and political philosopher of Renaissance Florence wrote this work amidst the tumultuous political landscape of Italy a region fraught with strife shifting alliances and warfare His experiences in public office and engagement with key political figures informed his perspective on statecraft and the delicate balance of power This historical account reflects Machiavelli s deep commitment to understanding the mechanisms of state and the often grim realities of political life allowing readers to grasp the significance of his observations Recommended for scholars and enthusiasts of political theory alike History of Florence and of the Affairs of Italy serves as a critical examination of the interplay between history and politics Machiavelli s work is not just an academic resource but also a profound reflection on the human condition making it essential reading for those seeking to unravel the intricate tapestry of Italy s past and its enduring impact on contemporary governance In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on

moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read **Machiavelli and Renaissance Italy** John Hale,1961 **History Of Florence And Of The Affairs Of Italy From The Earliest Times To The Death Of Lorenzo The Magnificent** Niccolo Machiavelli,2023-01-03 History of Florence and of the Affairs of Italy is a historical account of the political events that happened in Florence and Italy between 1215 and 1492 Niccolo Machiavelli who is a well known Italian philosopher wrote the book The book is split into eight books and covers a wide range of topics such as the rise and fall of the Medici family the wars and conflicts between the different Italian city states and the political and social changes that happened during the Renaissance Readers should look through this amazing collection of ideas to learn about the conflicts that occurred there History of Florence and of the Affairs of Italy is an important historical work that tells us a lot about the political and social history of Italy during the Renaissance The book is a classic of historical literature because Machiavelli wrote it in an objective way and looked at power and politics **Machiavelli and Renaissance Italy by J.R. Hale** John Rigby Hale,1966 *History of Florence and Of the Affairs Of Italy* Niccolo Machiavelli,2013-12-01 Niccolo di Bernardo dei Machiavelli 1469 1527 was an Italian political philosopher musician poet and romantic comedic playwright He is a figure of the Italian Renaissance and a central figure of its political component most widely known for his treatises on realist political theory The Prince 1513 on the one hand and republicanism Discourses on Livy 1512 1517 on the other *History of Florence and of the Affairs of Italy* Niccolo Machiavelli,2006-01-01 Niccolo Machiavelli the first great Italian historian and one of the most eminent political writers of any age or country was born at Florence May 3 1469 He was of an old though not wealthy Tuscan family his father who was a jurist dying when Niccolo was sixteen years old We know nothing of Machiavelli s youth and little about his studies He does not seem to have received the usual humanistic education of his time as he knew no Greek The first notice of Machiavelli is in 1498 when we find him holding the office of Secretary in the second Chancery of the Signoria which office he retained till the downfall of the Florentine Republic in 1512 His unusual ability was soon recognized and in 1500 he was sent on a mission to Louis XII of France and afterward on an embassy to C sar Borgia the lord of Romagna at Urbino Machiavelli s report and description of this and subsequent embassies to this prince shows his undisguised admiration for the courage and cunning of C sar who was a master in the application of the principles afterwards exposed in such a skillful and uncompromising manner by Machiavelli in his Prince The limits of this introduction will not permit us to follow with any detail the many important duties with which he was charged by his native state all of which he fulfilled with the utmost fidelity and with consummate skill When after the battle of Ravenna in 1512 the holy league determined upon the downfall of Pier Soderini Gonfaloniere of the Florentine Republic and the restoration of the Medici the efforts of Machiavelli who was an ardent republican were in vain the troops he had helped to organize fled before the Spaniards and the Medici were returned to power Machiavelli attempted to conciliate his new masters but he was deprived of his office and being accused in the following year of

participation in the conspiracy of Boccoli and Capponi he was imprisoned and tortured though afterward set at liberty by Pope Leo X He now retired to a small estate near San Casciano seven miles from Florence Here he devoted himself to political and historical studies and though apparently retired from public life his letters show the deep and passionate interest he took in the political vicissitudes through which Italy was then passing and in all of which the singleness of purpose with which he continued to advance his native Florence is clearly manifested It was during his retirement upon his little estate at San Casciano that Machiavelli wrote The Prince the most famous of all his writings and here also he had begun a much more extensive work his Discourses on the Decades of Livy which continued to occupy him for several years These Discourses which do not form a continuous commentary on Livy give Machiavelli an opportunity to express his own views on the government of the state a task for which his long and varied political experience and an assiduous study of the ancients rendered him eminently qualified The Discourses and The Prince written at the same time supplement each other and are really one work Indeed the treatise The Art of War though not written till 1520 should be mentioned here because of its intimate connection with these two treatises it being in fact a further development of some of the thoughts expressed in the Discorsi The Prince a short work divided into twenty six books is the best known of all Machiavelli s writings Herein he expresses in his own masterly way his views on the founding of a new state taking for his type and model C sar Borgia although the latter had failed in his schemes for the consolidation of his power in the Romagna The principles here laid down were the natural outgrowth of the confused political conditions of his time

History of Florence and of the Affairs of Italy Niccolò Machiavelli,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Machiavelli in Love](#) Guido Ruggiero,2007-02

History of Florence and of the Affairs of Italy from the Earliest Times to the D Niccolo Publisher description
Niccolo Machiavelli,2018-02-28 History of Florence and of the Affairs of Italy From the Earliest Times to the Death of Lorenzo the Magnificent By Niccolo Machiavelli Commetary and introduction by Hugo Albert Rennert Niccolo Machiavelli the first great Italian historian and one of the most eminent political writers of any age or country was born at Florence May 3 1469 He was of an old though not wealthy Tuscan family his father who was a jurist dying when Niccolo was sixteen years old We know nothing of Machiavelli s youth and little about his studies He does not seem to have received the usual humanistic education of his time as he knew no Greek The first notice of Machiavelli is in 1498 when we find him holding the office of Secretary in the second Chancery of the Signoria which office he retained till the downfall of the Florentine Republic

in 1512 His unusual ability was soon recognized and in 1500 he was sent on a mission to Louis XII of France and afterward on an embassy to C sar Borgia the lord of Romagna at Urbino Machiavelli s report and description of this and subsequent embassies to this prince shows his undisguised admiration for the courage and cunning of C sar who was a master in the application of the principles afterwards exposed in such a skillful and uncompromising manner by Machiavelli in his Prince

Machiavelli's Ethics Erica Benner,2009-10-26 Machiavelli s Ethics challenges the most entrenched understandings of Machiavelli arguing that he was a moral and political philosopher who consistently favored the rule of law over that of men that he had a coherent theory of justice and that he did not defend the Machiavellian maxim that the ends justify the means By carefully reconstructing the principled foundations of his political theory Erica Benner gives the most complete account yet of Machiavelli s thought She argues that his difficult and puzzling style of writing owes far more to ancient Greek sources than is usually recognized as does his chief aim to teach readers not how to produce deceptive political appearances and rhetoric but how to see through them Drawing on a close reading of Greek authors including Thucydides Xenophon Plato and Plutarch Benner identifies a powerful and neglected key to understanding Machiavelli This important new interpretation is based on the most comprehensive study of Machiavelli s writings to date including a detailed examination of all of his major works The Prince The Discourses The Art of War and Florentine Histories It helps explain why readers such as Bacon and Rousseau could see Machiavelli as a fellow moral philosopher and how they could view The Prince as an ethical and republican text By identifying a rigorous structure of principles behind Machiavelli s historical examples the book should also open up fresh debates about his relationship to later philosophers including Rousseau Hobbes and Kant

The History of Florence Niccolò Machiavelli,2015-06-17 Florentine Histories is a historical account by Italian Renaissance political philosopher and writer Niccolo Machiavelli first published posthumously in 1532 The composition of the work presented a problem for it was clear that the commission was not meant to give him the opportunity to eulogize republican Florence of which Machiavelli had been titled il segretario the secretary par excellence What was expected of him if not a glorification of the Medici family was a treatise without polemics and tending to show the present state of things as a natural evolution The perplexities of the author leaked through from some letters of his rich collection to Francesco Guicciardini on August 30 1524 The structure of the work quite contorted illustrates the difficulty of the author The first of the eight books is a general picture of the history of Europe from the fall of the Western Roman Empire to 1215 the second book actually begins to discuss the history of Florence with the narration of the feud between Buondelmenti Donati and Uberti Amidei that according to tradition corroborated by Dante would unchain the conflict between Guelphs and Ghibellines in the city The books II III and IV narrate the history before the Medici rise while the last four speak of the fight for power that ended with the Medicean lordship The eighth book closes with the death of Lorenzo il Magnifico on 1492 with the end of the fragile peace that Lorenzo s politics of balance had carried The author made an effort to show under an altogether favorable light

personalities like Cosimo il Vecchio and Lorenzo il Magnifico History of Florence - Machiavelli Niccolo Machiavelli,2007
Niccolo di Bernardo dei Machiavelli May 3 1469 June 21 1527 was an Italian political philosopher musician poet and
romantic comedic playwright He is a figure of the Italian Renaissance and a central figure of its political component most
widely known for his treatises on realist political theory The Prince on the one hand and republicanism Discourses on Livy on
the other Machiavelli Robert Black,2013-11-20 Machiavelli is history s most startling political commentator Recent
interpreters have minimised his originality but this book restores his radicalism Robert Black shows a clear development in
Machiavelli s thought In his most subversive works The Prince the Discourses on Livy The Ass and Mandragola he rejected
the moral and political values inherited by the Renaissance from antiquity and the middle ages These outrageous
compositions were all written in mid life when Machiavelli was a political outcast in his native Florence Later he was
reconciled with the Florentine establishment and as a result his final compositions including his famous Florentine Histories
represent a return to more conventional norms This lucid work is perfect for students of Medieval and Early Modern History
Renaissance Studies and Italian Literature or anyone keen to learn more about one of history s most potent influential and
arresting writers **Machiavelli's Romans** Patrick Coby,1999-01-01 Although Machiavelli is usually considered a pioneer
among modern political philosophers he read deeply in and was greatly influenced by the works of classical Roman thinkers
such as Livy There is thus a fundamental tension between the modern and the ancient within Machiavelli s philosophy he is
both a precursor to the Enlightenment and a throwback to republican Rome This is the main thesis behind Patrick Coby s
innovative study of the neglected Machiavellian classic Discourses on Livy Coby argues that scholars have been too quick to
dismiss the ancient antecedents of Machiavelli s thought particularly with regard to the modes and orders of the Roman
republic The book seeks to resolve the central paradox of the Discourses that Machiavelli recommends adoption of Roman
modes and orders even though those modes and orders destroyed the virtu the strength which Machiavelli would have
moderns resuscitate by imitating Rome A sophisticated highly engaging book Machiavelli s Romans will be of special interest
to political theorists Renaissance scholars and classicists Machiavelli's Florentine Republic Michelle T. Clarke,2018-03-08
What do modern republics have to fear Machiavelli s Florentine Republic reconstructs Machiavelli s answer to this question
from the perspective of the Florentine Histories his most probing meditation on the fate of republican politics in the modern
age It argues that his principle goal in narrating the defeat of Florentine republicanism is to debunk the views of leading
humanists concerning the overall health of republican politics in modernity and the distinctive challenges that modern
republics should expect to face The Medici family had exposed these vulnerabilities better than anyone else and Machiavelli
reconstructs their political strategy to show how conventional ideas of moral and political virtue are the most potent
instruments of princely ambition in a city that wants to be free **The Prince** Niccolo Machiavelli,2014-01-23 Niccolo
Machiavelli was a privy to much of the political activity in Renaissance Italy In 1512 the roller coaster political ride of any

state took a major dip for Machiavelli as he was banished for suspected treason. It was during this time that Machiavelli decided to write down a guide for state rulers which he named *The Prince*. Dedicated to Lorenzo De Medici of the Italian ruling family, Machiavelli's book begins by describing the various types of states and principalities. A ruler might find himself over a state that he inherited or he might find that he is now ruling over a state that he has conquered. These states cannot be handled the same way. Depending on the type of state, the ruler has to be able to adjust how he rules to be effective. He even explains how a ruler who acquires the throne by evil means has to handle his subjects differently if he is to stay in power. Machiavelli addresses the many situations that can bring a ruler to power and the attention required by each. What types of troops a ruler should desire, how to approach military matters, and how to be viewed by subjects are all discussed. In addition to treachery, piety, and weakness, Machiavelli approaches the entire subject objectively. A prince therefore must be indifferent to the charge of cruelty if he is to keep his subjects loyal and united. Machiavelli creates a handbook that rulers even today would benefit from reading. Ruling a state is not easy. The choices a ruler makes determine how his or her reign will end. Throughout the book, Machiavelli gives advice on how a ruler should be wary and wise. Hence, a prince ought to be a fox in recognizing snares and a lion in driving off wolves. This is a must-read classic for anyone interested in history, business, politics, or megalomania. It has inspired many of history's most powerful leaders, several of which it has been said slept with this book under their pillow and with good reason.

[Living on the Edge in Leonardo's Florence](#) Gene Brucker, 2005-03-14. These essays on Renaissance Florence are a tonic to read as we watch one of the great historians of the period take hold of major questions with never less than a keen intelligence and a masterly imagination. Lauro Martines, author of *April Blood: Florence and the Plot against the Medici* (2003) and *Strong Words: Writing and Social Strain in the Italian Renaissance* (2001). These thoughtful essays illuminate the precarious quality of life during the Italian Renaissance. They remind us of the social and personal struggles that gave birth to the period's impressive achievements. William J. Connell, Professor of History and La Motta Chair in Italian Studies, Seton Hall University, editor of *Society and Individual in Renaissance Florence*.
