Machine Age Maya The Industrialization Of A Guatemalan Community:

Machine Age Maya Manning Nash,1958 This is the story of the people of Cantel an Indian community in the western highlands of Guatemala It is the description and analysis of a people who have successfully moved from a simple farming technology not much removed from that of their pre Columbian ancestors to operating in the midst of Central America s largest textile mill The adaptation of this Indian community to factory work cash wages and the wider ties of the modern industrial world is a precipitate of history Chapter 1 page 1

Maya Resurgence in Guatemala Richard Wilson,1999-09-01 Across Guatemala Mayan peoples are struggling to recover from decades of cataclysmic upheaval religious conversions civil war displacement military repression Richard Wilson carried out long term research with Q eqchi speaking Mayas in the province of Alta Verapaz to ascertain how these events affected social organization and identity He finds that their rituals of fertility and healing abandoned in the 1970s during Catholic and Protestant evangelizations have been reinvented by an ethnic revivalist movement led by Catholic lay activists who seek to renovate the earth cult in order to create a new pan Q eqchi ethnic identity

In the Country of the Old Jon Hendricks,2019-03-29 Aging is a universal experience and an individual one But it is also a cultural phenomenon Our ethnic and social background has a strong influence on how we deal with growing old This collection draws on research from around the world to explore how cultural context shapes and defines the aging process Studies examine differing patterns in the lives of the aged in Portugal Polynesia Sweden and Israel and among ethnic groups in the United States

Violent Memories Judith Zur,2019-05-20 This local study of the impact of political violence on a Maya Indian village is based on intensive fieldwork in the department of El Quiche Guatemala during 1988 1990 It examines the processes of fragmentation and realignment in a community undergoing rapid and violent change and relates local social cultural and psychological

phenomena to t **Annihilating Difference** Alexander Laban Hinton,2002-08-15 Genocide is one of the most pressing issues that confronts us today Its death toll is staggering over one hundred million dead Because of their intimate experience in the communities where genocide takes place anthropologists are uniquely positioned to explain how and why this mass annihilation occurs and the types of devastation genocide causes This ground breaking book the first collection of original essays on genocide to be published in anthropology explores a wide range of cases including Nazi Germany Cambodia Guatemala Rwanda and Bosnia **Foreign Affairs Research: Projects and Centers** United States. Department of State. External Research Division,1960 **Foreign Affairs Research: Projects and Centers** Etats-Unis. Department of State. Bureau of Intelligence and Research,1960 **Peasants and Proletarians** Robin Cohen,Peter C. W. Gutkind,Phyllis Brazier,2023-07-07 Originally published in 1979 this book examines differing forms of international interracial working class action and the relationship between workers struggles in the periphery and those in advanced capitalist countries It analyses the nature of class alliances forged in the countryside and the urban sprawls of the developing world among workers students and the unemployed The volume draws on theoretical debates and detailed empirical studies dealing with a wide range of countries in Asia Latin America Africa and the Caribbean Each of the sections is preceded by a linking editorial comment and the editors also provide an introductory overview Reviews of the original edition of Peasants and Proletarians This is an important book both for historians and for social scientists It draws attention to a previously underestimated labour force that has grown into a significant indeed indispensable part of the international economic structure Lynda Shaffer Journal of Asian Studies 39 4 1980 This book offers a truly impressive and solid compilation of material on labour in the Third World The sheer range of scholarship concerning many different types of workers over a timescale of nearly 100 years in countries and political situations as various for example as Lagos in the 1890s Jamaica in the 1930s and socialist Algeria or Chile under Allende is sometimes bewildering but never fails to stimulate and absorb the reader Paul Kennedy Journal of Modern African Studies 19 4 1981 Peasants and Proletarians is a very major contribution The editors introduction though brief successfully raises many of these issues and outlines an approach to them The twenty one readings concerned with early forms of resistance rural workers strategies of working class action migrant workers in advanced capitalist states and contemporary struggles offer geographical and intellectual breadth in their exploration of the diversity of Third World experience Joel Samoff ASA Review of Books Vol 6 1980 Challenges for Rural America in the Twenty-First Century David L. Brown,Louis E. Swanson,2010-11-01 The twentieth century was one of profound transformation in rural America Challenges for Rural America in the Twenty First Century defines these changes and interprets their implications for the future of rural America Essays have been specially commissioned to examine key aspects of public policy relevant to rural America in the new century From book jacket **Resources for the Teaching of Anthropology** David G. Quiche state in Guatemala flourished for several centuries before being destroyed by the conquistadors in 1524 During the early years of the ensuing period the Quicheans recorded their past history and legends writing in their own language but using the Latin alphabet Many of these chronicles have survived each illuminating various aspects of pre conquest Quichean culture Organized in six sections Quichean Civilization categorizes all the documented sources describing the Quiche Maya I Introduction II Native Documents III Primary Spanish Documents IV Secondary Sources V Modern Anthropological Sources VI A Case Study Tulo C oyo This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 **Catholic Colonialism** Adriaan C. van Oss,2002-07-04 Publisher Description *Man in Adaptation* Yehudi A. Cohen,2017-07-12 How do specific activities and institutions in which people are involved fit into the overall adaptive strategy of their society What are the particular pressures leading to change in each of these spheres when the group s strategy of adaptation changes What are the human demands made by a hunting gathering strategy that lead to the development of particular family systems modes of social control religious beliefs and practices values and ideologies and personality structures What are the new human demands that lead to the reorganization of these aspects of life as the group moves from one level of development to another *Man in Adaptation* The Institutional Framework introduces the institutional psychological and ideological dimensions of the strategies of adaptation that have characterized human societies from the earliest known forms of social life to the present Cohen includes topics that are of principal anthropological concern notably marriage law and social control religion and magic value systems personality and art There are no studies that deal with cultural change as such in this book Where possible Cohen includes articles that deal with changes in particular spheres of activity such as family organization law religion and value systems He argues that change is not a special situation Instead culture is change and change is culture and it is unrealistic to study change outside the specific social and technological organization of a given society This volume unifies the subject matter of anthropology within a single and powerful explanatory framework and incorporates the work of the most renowned anthropological experts on man **Third World Urbanization** J. Abu-Lughod,R. Jr Hay,2013-07-04 First published in 2006 Despite the growing significance of the Third World and the critical nature of its urbanization there are few synthetic books covering more than one region of the Third World which can be used either by scholars seeking an overview of the process of world urbanization or by students in the growing number of courses now being offered in the field of comparative urbanism The most distressing problem was that the field of urbanization particularly with reference to developing countries seemed to us to have stagnated at theoretically sterile conceptualizations or even worse had deteriorated into fragmented empirical descriptive reports whether observing with sympathy or noting with alarm the rapidly declining condition of individual cities This book attempts

to rectify this deficiency *Copper Mines, Company Towns* Dr. Larry R. Stucki, 2009-10-06 Just as few natural species have withstood the test of ever changing earth environments through time relatively few human created systems e g companies governments religions etc long survive their creation What then is the secret of those that continue to defy these odds and what factors have led to the failure of others This manuscript attempts to answer this question using the Phelps Dodge Corporation its unions its Native American and Mexican workforce the Ajo Inter tribal Community Council the Mormon Church The March of Dimes and others as examples Dr Larry R Stucki from the Preface Fanning the Sacred Flame Brian D.
