## **Make Love Not War The Sexual Revolution An Unfettered History:**

**Make Love, Not War** David Smith Allyn, 2001 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *Make Love, Not War* David Smith Allyn, 2016 The invention of the birth control pill the end of censorship the advent of feminism the rise of commercial pornography dozens of changes to daily lives in the 1960s and 70s stimulated an unprecedented time of sexual openness in American society a season of optimism and experimentation remembered as the sexual revolution This work is a treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on firsthand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful 50s to the first tremors of rebellion in the early 60s to the heady heyday of the revolution This history tells the stories of the major figures of the period sexual freedom fighters feminists scientists pornographers gay activists First Amendment lawyers and others who made the headlines But it is based equally on the testimony of ordinary people men and women who dared to take risks in their private lives and share their experiences with others They yearned for a freer more open society Their stories of spouse swapping swinging group sex and other erotic adventures reveal an era in which the pursuit of happiness took on new meaning in American life **The Conclusion of the Sexual Revolution** Wylark Day, 2004-05-18 This is a book about sexual morality Not a morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God's Plan for Sex but a minority who deviate from this Plan such as homosexuals are nonetheless necessary for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God **Erotic City** Josh Sides, 2011 How San Francisco became America's capital of sexual libertinism and a potent symbol in its culture wars **The Family in America** Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change **Sexual Revolutions** Gottfried Heuer, 2010-11-17 The ideas of psychoanalyst Otto Gross 1877

1920 have had a seminal influence on the development of the psychoanalytic discipline and yet his work has been largely overlooked Sexual Revolutions introduces the work of Otto Gross to the academic and clinical fields of psychoanalysis and Jungian Analysis

**Sex and the Office** Julie Berebitsky,2012-03-27 In this engaging book the first to historicize our understanding of sexual harassment in the workplace Julie Berebitsky explores how Americans attitudes toward sexuality and gender in the office have changed from the 1860s when women first took jobs as clerks in the U S Treasury office to the present Berebitsky recounts the actual experiences of female and male office workers draws on archival sources ranging from the records of investigators looking for waste in government offices during World War II to the personal papers of Cosmopolitan editor Helen Gurley Brown and Ms magazine founder Gloria Steinem and explores how popular sources including cartoons advertisements advice guides and a wide array of fictional accounts have represented wanted and unwelcome romantic and sexual advances By giving sex in the office a history she provides valuable insights into the nature and meaning of sexual harassment today

**Whose America?** Jonathan Zimmerman,2022-08-26 In this expanded edition of his 2002 book Zimmerman surveys how battles over public education have become conflicts at the heart of American national identity Critical Race Theory The 1619 Project Mask mandates As the headlines remind us American public education is still wracked by culture wars But these conflicts have shifted sharply over the past two decades marking larger changes in the ways that Americans imagine themselves In his 2002 book Whose America Zimmerman predicted that religious differences would continue to dominate the culture wars Twenty years after that seminal work Zimmerman has reconsidered arguments over what American history is what it means and how it is taught have exploded with special force in recent years In this substantially expanded new edition Zimmerman meditates on the history of the culture wars in the classroom and on what our inability to find common ground might mean for our future

**Emotions in American History** Jessica C. E. Gienow-Hecht,2010-04-01 The study of emotions has attracted anew the interest of scholars in various disciplines igniting a lively public debate on the constructive and destructive power of emotions in society as well as within each of us Most of the contributors to this volume do not hail from the United States but look at the nation from abroad They explore the role of emotions in history and ask how that exploration changes what we know about national and international history and in turn how that affects the methodological study of history In particular they focus on emotions in American history between the 18th century and the present in war in social and political discourse as well as in art and the media In addition to case studies the volume includes a review of their fields by senior scholars who offer new insights regarding future research projects
