Heroes of Islam Mahmoud Esma'il Sieny,2000 Muslims have no need to look for fictitious or mythical heroes because

their history is abundant with heroes of real flesh and blood whose acts were heroic because of their faith and a consequence of their attitude to life and the world For all the heroes of Islam share two very special traits full conviction and dedication to their pristine faith and constant attempt to seek the Pleasure of their Creator Allah alone regardless of the circumstances and times they live in For a Muslim hero be he a military genius a scholar teacher or a devout common person knows that the transient life in this world is a means to the eternal life in the Hereafter and that ephemeral pains and pleasures are nothing compared to the everlasting pains and pleasures of Hell and Heaven To this hero the key to the whole thing is Divine Pleasure Through it alone can a person enjoy peace and tranquility in this world and attain real happiness in the life Hereafter
