The Debba Avner Mandelman,2010-07-13 Winner of the 2011 Arthur Ellis Award for Best First Crime Novel In Middle East lore the Debba is a mythical Arab hyena that can turn into a man who lures Jewish children away from their families to teach them the language of the beasts To the Arabs he is a heroic national symbol to the Jews he is a terrorist To David Starkman The Debba is a controversial play written by his father the war hero and performed only once in Haifa in 1946 causing a massive riot By 1977 David is living in Canada having renounced his Israeli citizenship and withdrawn from his family haunted by persistent nightmares about his catastrophic turn as a military assassin for Israel Upon learning of his father s gruesome murder he returns to his homeland for what he hopes will be the final time Back in Israel David discovers that his father s will demands he stage the play within forty five days of his death and though he is reluctant to comply the authorities evident relief at his refusal convinces him he must persevere With his father s legacy on the line David is forced to reimmerge himself in a life he thought he d escaped for good The heart stopping climax shows that nothing in Israel is as it appears and not only are the sins of the fathers revisited upon the sons but so are their virtues and the latter are more terrible still Disguised as a breathtaking thriller Avner

Mandelman's novel reveals Israel's double soul its inherent paradoxes and its taste for both art and violence The riddle of the Debba the myth the play and the novel is nothing less than the tangled riddle of Israel itself **Bridge Stories** Susan Wilson-Shultz,2014-04 Like a lot of people Susan didn't believe that she had a story worth sharing a story that would impact lives for Christ that is until that surprising day when God called her to write her testimony That day with fingers pressed upon the keys of her laptop Susan embarked on a journey that forever changed her life as well as the lives of others Over the course of a few years as Susan wrote God began to orchestrate the events of her life to paint a beautiful picture depicting how His people should live in preparation for His return and demonstrating His desire that we begin living lives that testify to Him In these pages you will find more than simply the words that describe Susan's personal journey you will hear the Savior's voice You will hear the message that Jesus lovingly laid on her heart a message that speaks about how He longs for His ultimate wedding day to His Bride the Church and about how we should live in preparation for that day Just as a bridge once connected Jerusalem with the Temple Mount bringing people closer to the Temple where God resided these stories will lead you into a deeper relationship with the Lord They will help you to discover your own story for God created you to testify You are meant to be a bridge that leads others to Christ God wants to speak through you so let's get started finding your story *Catalog of Copyright Entries* Library of Congress. Hollywood by Hollywood Steven Cohan, 2019 The backstudio picture or the movie about movie making is a staple of Hollywood film production harking back to the silent era and extending to the present day What gives backstudios their coherence as a distinctive genre Steven Cohan argues in Hollywood by Hollywood is their fascination with the mystique of Hollywood as a geographic place a self contained industry and a fantasy of fame leisure sexual freedom and modernity Yet by the same token if backstudio pictures have rarely

achieved blockbuster box office success what accounts for the film industry's interest in continuing to produce them The backstudio picture has been an enduring genre because aside from offering a director or writer a chance to settle old scores in branding filmmaking with the Hollywood mystique the genre solicits consumers' strong investment in the movies Whether inspiring the movie crazy fan girls of the early teens and twenties or the wannabe filmmakers of this century heading to the West Coast after their college graduations backstudios have given emotional weight and cultural heft to filmmaking as the quintessential American success story But more than that a backstudio picture is concerned with shaping perceptions of how the film industry works with masking how its product depends upon an industrial labor force including stardom and with determining how that work's value accrues from the Hollywood brand stamped onto the product Cohan supports his well theorized and well researched claims with nuanced discussions of over fifty backstudios some canonical and well known and others obscure and rarely seen Covering the hundred year timespan of feature length film production Hollywood by Hollywood offers an illuminating perspective for considering anew the history of American movies
