Whodunit? Rosemary Herbert, 2003-05-08 Who populates the pages of crime and mystery writing? Who are the characters we willingly follow into the mystery genre's uneasy imaginative territory? And who created those characters in the first place? What life experience and expertise informs their work? What are the sources of their themes, regional accents and even the axes that some grind? Why do some wish to give us a good laugh while others seem hell-bent on making us shudder? Whodunit answers these questions and more. Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors. Some such as P.D. James, Ian Rankin, Sherlock Holmes and Kinsey Millhone appear in individual entries. Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist. There is even an article on a figure that haunts so many great works of mystery: The Corpse Drawing on the Edgar Award-nominated volume *The Oxford Companion to Crime Writing*. Herbert adds 101 new entries on the hottest new names in works ranging from puzzling whodunits to chilling crime novels

**100 Masters of Mystery and Detective Fiction: Margery Allingham** Fiona Kelleghan, 2001 This collection surveys 100 of the writers who have made the most lasting contribution to the genre. Most articles are 2,500 words with longer articles on such major figures as Raymond Chandler, Dashiell Hammett, Ellery Queen and Rex Stout. Handy, ready-reference listings are designed to accommodate the unique characteristics of mystery and detective fiction including author's pseudonyms, types of plots, principal series and principal series characters and even a glossary of terms peculiar to the genre. Reference elements include a complete up-to-date list of authors' works, a glossary of mystery and detective fiction terms, annotated bibliographies, a time line, an index of series characters and a list of authors by plot type

One Night Stands and Lost Weekends Lawrence Sanders, 2009-10-06 In the era before he created moody private investigator Matthew Scudder, burglar Bernie Rhodenbarr, sleepless spy Evan Tanner and the amiable hit man Keller, and years before his first Edgar Award, a young writer named Lawrence Sanders submitted a story titled "You Can't Lose" to *Manhunt* magazine. It was published and the rest is history. *One Night Stands and Lost Weekends* is a sterling collection of short crime fiction and suspense novelettes penned between 1958 and 1962 by a budding young master and soon to be Grand Master, an essential slice of genre history and more fun than a high speed police chase following a bank job gone bad

## **Make Out With Murder Chip Harrison Mystery Introduction**

In today's digital age, the availability of Make Out With Murder Chip Harrison Mystery books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Make Out With Murder Chip Harrison Mystery books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Make Out With Murder Chip Harrison Mystery books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Make Out With Murder Chip Harrison Mystery versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Make Out With Murder Chip Harrison Mystery books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Make Out With Murder Chip Harrison Mystery books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Make Out With Murder Chip Harrison Mystery books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library

hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Make Out With Murder Chip Harrison Mystery books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Make Out With Murder Chip Harrison Mystery books and manuals for download and embark on your journey of knowledge?
