**Julius Caesar** Jacob Abbott, 2023-11-21 Julius Caesar was one of the most influential figures in ancient Roman history Born into an aristocratic family in 100 BCE Caesar embarked on a political career that would profoundly impact the Roman Republic As a young man Caesar rose through the ranks of the military and government gaining popularity with the Roman people After forming political alliances through his marriage to Cornelia Caesar was elected Pontifex Maximus and later praetor and consul However Caesar earned the suspicion of his fellow senators and was ordered to disband his army Caesar refused crossing the Rubicon river into Italy in 49 BCE and igniting a civil war against forces led by Pompey the Great After seizing control of the Roman Republic Caesar was appointed dictator As dictator Caesar enacted a series of reforms including centralizing power reducing debt expanding Roman citizenship and reforming the calendar His military conquests expanded Roman territories across Europe and Africa But Caesar's immense power threatened republican traditions angering senators who feared Caesar desired to become king A conspiracy led by Brutus and Cassius assassinated Caesar in 44 BCE on the Ides of March Caesar's rise and dramatic demise made him an iconic figure His military genius political savvy and ruthless ambition changed the course of Roman civilization Caesar's life demonstrated the capabilities and follies of ambitious individuals in a republic plagued by corruption His legacy as a brilliant tactician and transformational dictator looms large in history Julius Caesar remains one of the most compelling figures of the ancient world Makers of History Annie E. McKilliam, 1910\* *History of Julius Caesar* Jacob Abbott, 2011-01-08 The Roman hero was Caesar He was born just one hundred years before the Christian era His renown does not depend like that of Alexander on foreign conquests nor

like that of Hannibal on the terrible energy of his aggressions upon foreign foes but upon his protracted and dreadful contests with and ultimate triumphs over his rivals and competitors at home When he appeared upon the stage the Roman empire already included nearly all of the world that was worth possessing There were no more conquests to be made Caesar did indeed enlarge in some degree the boundaries of the empire but the main question in his day was who should possess the power which preceding conquerors had acquired     **Julius Caesar** Jacob Abbott,1902     **Julius Caesar** Jacob Abbott,1910
