*Autopsy in Athens* Margaret M. Miles, 2015-07-24 This is an exciting time to study in Athens The rescue excavations of recent years conducted during construction of the Metro system and in preparation for the 2004 Olympics Games combined with major restoration projects and a new enthusiasm for fresh examination of old material using new techniques and applications brings new perspectives and answers on many aspects of the ancient city of Athens and life politics and religion in Attica The 15 papers presented here contribute new findings that result from intensive firsthand examinations of the archaeological and epigraphical evidence They illustrate how much may be gained by reexamining material from older excavations and from the methodological shift from documenting information to closer analysis and larger historical reflection They offer a variety of perspectives on a range of issues the ambiance of the ancient city for passersby filled with roadside shrines techniques of architectural construction and sculpting religious expression in Athens including cults of Asklepios and Serapis the precise procedures for Greek sacrifice how the borders of Attica were defined over time and details of its road system In presenting this volume the contributors are continuing in a long tradition of autopsy in the sense of personal observation in Athens that began even in the Hellenistic period and has continued through the writings of centuries of travelers and academics to the present day

*Hellenistic Art* Lucilla Burn, 2004 In this beautifully illustrated volume Burn Keeper of Antiquities Fitzwilliam Museum Cambridge introduces the Hellenistic world to students and readers interested in ancient Greek society After a brief political and cultural overview Burn identifies several distinctly Hellenistic artistic developments emerging in fourth century

Macedon She then examines representations of royal and private individuals the design furnishing and appearances of cities sanctuaries houses and tombs and the characteristic themes of Hellenistic iconography *A Companion to Greek Art* Tyler Jo Smith, Dimitris Plantzos, 2018-06-18 A comprehensive authoritative account of the development Greek Art through the 1st millennium BC An invaluable resource for scholars dealing with the art material culture and history of the post classical world Includes voices from such diverse fields as art history classical studies and archaeology and offers a diversity of views to the topic Features an innovative group of chapters dealing with the reception of Greek art from the Middle Ages to the present Includes chapters on Chronology and Topography as well as Workshops and Technology Includes four major sections Forms Times and Places Contacts and Colonies Images and Meanings Greek Art Ancient to Antique **Euripides and the Language of Craft** Mary C. Stieber, 2011 This first in depth account of Euripides relationship with the visual arts demonstrates how frequently the tragedian used language to visual effect whether through allusion or actual references to objects motifs built around real or imaginary objects or the use of technical terminology *Goethe's Visual World* Pamela Currie, 2017-07-05 Goethe s ideas on colour and imagery crossed many borderlines those of artistic processes and philosophical aesthetics art history and colour theory together with the science of perception This investigation into his writings ranges across art from Antiquity the Renaissance and the eighteenth century as well as exploring the centrality of these issues to Goethe s literary work Questions find answers but also raise new questions This systematic sequence of essays originally written between 1999 and 2011 appeals to readers in all these separate areas while drawing together their essential coherence **From Face to Face** Marina Prusac, 2016-08-29 This book is based on an investigation of more than 2000 portraits of which around 500 have proven to be recarved It provides thorough analyses of the different recarving methods some of which can be attributed to geographically localized workshops establishing classifiable categories and an analytical text with special regard to the cultural historical changes in Late Antiquity The investigation underpins a hypothesis on the late antique portraits style as a consequence of the many recarved portraits at the time which relied on a syncretism of politics religion and ideology The conclusion gives a new understanding of how broad scoped culturally and politically encoded and comprehensive the practice of recarving was *A New History of Western Art* Koenraad Jonckheere, 2022-10-15 A radical re examination of 2 500 years of European art deconstructing and demystifying its long history from ancient to present How has art evolved from the pursuit of the ideal human form to a black square on a white canvas Why is a banana duct taped to a wall worth more on the art market than a beautiful seventeenth century landscape By taking art for what it actually is a piece of stone or wood a sheet of paper with some lines drawn on it a painted canvas this lively and accessible account shows how seemingly meaningless objects can be transformed into celebrated works of art Breaking with conventional notions of artistic genius Koenraad Jonckheere explores how stories and emotions give meaning to objects and why changing historical circumstances result in such shifting opinions over time Tracing its story from ancient

times to present *A New History of Western Art* reframes the evolution of European art and radically reshapes our understanding of art history Published in association with Hannibal Books
