Sider,2019-07-16 What does Jesus have to say about violence just war and killing Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice This book by noted theologian and bestselling author Ronald J Sider provides a career capstone statement on biblical peacemaking Sider makes a strong case for the view that Jesus calls his disciples to love and never kill their enemies He explains that there are never only two options to kill or to do nothing in the face of tyranny and brutality There is always a third possibility vigorous nonviolent resistance If we believe that Jesus is Lord then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies This thorough comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians especially evangelicals to engage in biblical peacemaking The book includes a foreword by Stanley Hauerwas

Philosophical Perspectives on Power and Domination ,2021-09-20 The essays in this volume explore in detail many of the ways power structures our daily personal political and intellectual lives and evaluate the workings of power using a variety of theoretical paradigms from Hobbesian liberalism to Foucauldian feminist postmodernism Taken as a whole the book aims towards an end to unjust and destructive uses of power and the flowering of an encouraging educated empowerment for all human beings in a pluralistic world Section I offers a progressive chain of arguments that moves from the acceptance of domination through the rejection of domination and finally to a new vision of power based on equality and mutual respect Section II explores the questions how is the philosophical self that is our very understanding of who we are implicated in the web of power and domination Section III responds to political realism as it explores morally ideal solutions to the global problems of poverty war and hunger Section IV discusses ways in which our thought and practice in both public and private life are bound up in hierarchies of domination **Swords into Plowshares, Volume One** Arthur J. Laffin,Anne Montgomery,2010-05-01 Why is nonviolent civil disobedience divine disobedience an imperative for bringing about disarmament What is the connection between faith nonviolence and resistance How does one prepare for nonviolent acts of resistance How does one respond to the charges brought in court How does one view and cope with the consequences of

imprisonment How have some people nonviolently responded to U S intervention in Iraq and Central America and in war torn countries like Bosnia What are the main tenets of U S nuclear and foreign policy in the post Cold War era What is the human cost of weapons production What does it mean to live in a national security state What are some of the challenges faced by people in the U S who are concerned about justice and peace The primary goal of this revised edition of *Swords into Plowshares* is to provide some initial answers to these and related questions Contributors to this edition include Bob Aldridge Daniel and Philip Berrigan Samuel H Day Jr Jim and Shelly Douglass Elizabeth McAlister Molly Rush and a host of other activists

Globalization and the National Security State Norrin M. Ripsman, T.V. Marek Thee: My Story Marek Thee, Nils Petter Gleditsch, Stein Tønnesson, Marta Bivand Erdal, 2022-12-21 Marek Thee was a Jewish Polish journalist scholar and activist This book tells his life from narrowly escaping death in the Holocaust to exile in Palestine where he became attached to the Polish consular service On his return to Poland in 1950 he worked for the Foreign Ministry and later for the Polish Institute for International Affairs He served as Head of the Polish delegation to the International Control Commission in Indochina in the late 1950s In 1968 he lost his job and his Polish citizenship in a nationalistic and antisemitic campaign He was able to move to Norway where he worked for twenty years at the Peace Research Institute Oslo PRIO editing an international quarterly journal *Bulletin of Peace Proposals* and doing research on the arms race In retirement he continued his research

and writing at the Norwegian Human Rights Institute The book vividly relates the drama of his life in Poland Palestine Indochina and Norway This is an open access book *Bulletin of the Atomic Scientists* ,1987-06 **Social defence** Brian Martin,Jørgen Johansen,2019-07-11 Social defence is nonviolent community resistance to aggression and repression as an alternative to military forces Given the enormous damage caused by military systems social defence is an alternative worth investigating and pursuing Since the 1980s J rgen Johansen and Brian Martin have been involved in promoting social defence In this book they provide an up to date treatment of the issues They address the downsides of military systems historical examples of nonviolent resistance to invasions and coups key ideas about social defence important developments since the end of the Cold War and the role of social movements Social defence challenges deeply embedded assumptions about violence and defence It is also a challenge to powerful groups with vested interests in systems of organised violence especially militaries and governments Popular action against aggression and repression is a radical alternative and a logical one **Must Global Politics Constrain Democracy?** Alan Gilbert,2012-01-06 As each power vies for its national interests on the world stage how do its own citizens democratic interests fare at home Alan Gilbert speaks to an issue at the heart of current international relations debate He contends that in spite of neo realists assumptions a vocal citizen democracy can and must have a role in global politics Further he shows that all the major versions of realism and neo realism if properly stated with a view of the national interest as a common good surprisingly lead to democracy His most striking example focuses on realist criticisms of the Vietnam War Democratic internationalism as Gilbert terms it is really the linking of citizens interests across national boundaries to overcome the antidemocratic actions of their own governments Realist misinterpretations have overlooked Thucydides theme about how a democracy corrupts itself through imperial expansion as well as Karl Marx s observations about the positive effects of democratic movements in one country on events in others Gilbert also explodes the democratic peace myth that democratic states do not wage war on one another He suggests instead policies to accord with the interests of ordinary citizens whose shared bond is a desire for peace Gilbert shows through such successes as recent treaties on land mines and policies to slow global warming that citizen movements can have salutary effects His theory of deliberative democracy proposes institutional changes that would give the voice of ordinary citizens a greater influence on the international actions of their own government *Politics, Order and History* Stephen McKnight,Glenn Hughes,Geoffrey Price,2001-01-01 This volume brings together critical review papers many specially commissioned on key themes and questions in the work of the political scientist philosopher and religious thinker Eric Voegelin 1901 1985 Areas covered include 1 Political science Political Religions manifestations in Nazi Germany and in contemporary European and North American nationalism 2 International relations the Cold War in critical perspective 3 Philosophy Plato and Aristotle in the reading of Eric Voegelin contemporary assessments 4 Sociology Correspondence of Voegelin and Alfred Sch tz 5 New Testament studies and Christology questions and developments for Voegelin s

Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense Introduction

In today's digital age, the availability of Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.

By accessing Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Europe Unconquerable The Potential Of
