experience in your life both good and bad As you move through your life the pieces of your puzzle are set one at a time Each one is essential and relevant When completed your puzzle will finally make sense You will be able to recognize how each piece has brought you to where you are today Each piece fits in some way to help bring you to a place where God wants you to be When something happens that is unbearable and you cannot find a reason for it sometimes it is Gods own steadying hand that helps set the piece into place Build your puzzle with confidence one piece at a time and know your masterpiece was created by the Master Himself piece by important piece     Masterful Personality Orison Swett Marden,1921     **The Homiletic Review** ,1919     **Service** ,1912     **Life Rhymes** Walt F.J.
