Making Men Into Fathers Men Masculinities And The Social Politics Of Fatherhood:

Making Men Into Fathers Barbara Meil Hobson, 2002-01-10 Fatherhood is on the political agenda in many countries often cast in terms of crisis One side of the policy debate focuses on fathers as deadbeat dads who do not provide financial support and care for their children The other revolves around making men into active and engaged fathers However these policies are often at odds with the employers reluctance to accommodate work schedules to fathers needs In *Making Men into Fathers* prominent scholars in gender studies and the critical studies of men consider how varied institutional settings and policy logics around cash and care contour the possibilities and constraints for new models of fatherhood determining the choices open to men From different historical and societal perspectives the authors provide insights into the studies of men as gendered subjects including the role of transnational and global issues of fatherhood and the emergence of men s movements contesting and reimagining fatherhood *Handbook of Studies on Men and Masculinities* Michael S. Kimmel, Jeff Hearn, Raewyn Connell, 2005 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men s and boys identities conduct and problems The *Handbook of Studies on Men and Masculinities* is an interdisciplinary and international culmination of the growth of men s studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The *Handbook of Studies on Men and Masculinities* examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The *Handbook of Studies on Men and Masculinities* provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library **Making Sense of Fatherhood** Tina Miller, 2010-11-18 As family and work demands become more complex who is left holding the baby Tina Miller explores men s experiences of fatherhood and provides unique insights into paternal caring changing masculinities and men s relations to paid work She focuses on the narratives of a group of men as they first anticipate and then experience fatherhood for the first time Her original

longitudinal research contributes to contemporary theories of gender against a backdrop of societal and policy change The men s journeys into fatherhood are both similar and varied and they illuminate just how deeply gender permeates individual lives everyday practices and societal assumptions around caring for young children This book acts as a companion to Making Sense of Motherhood Cambridge University Press 2005 and together these innovative studies reveal how gendered practices around caring become enacted

Men & Masculinities Michael S. Kimmel,Amy B. Aronson,2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States

The Construction of Fatherhood Alice Margaria,2019-11-28 Explores the ECtHR s understanding of what it means to be a father and the role of doctrines of interpretation

Contemporary fathering Brigid Featherstone,2009-04-15 Since 1997 child welfare services have been faced with new demands to engage fathers or develop father inclusive services This book emerges from work by the author as a researcher and educator over many years on the issues posed by this agenda for child welfare practitioners in a variety of contexts In locating fathers fathering and fatherhood within a historical and social landscape the book addresses issues seldom taken up in practice settings It explores diversity and complexity in fathering in different disciplines such as psychoanalysis sociology and psychology and analyses contemporary developments in social policies and welfare practices The author employs a feminist perspective to highlight the opportunities and dangers in contemporary developments for those wishing to advance gender equity A key strength of the book is its inter disciplinary focus It will be required reading for students graduate and postgraduate of social work social policy sociology and child and family studies Academic researchers will also find the book invaluable because of its breadth of scholarship

Family, Ties and Care Hans Bertram,Nancy Ehlert,2011-11-29 Families international the new milestone How may care be secured particularly in ageing societies how may families relatives and friends support each other and live together beyond market reasons How can social welfare be secured How do different countries and different cultures solve the problems they may or may not now or in days to come share with other countries and cultures Families as is found in this publication by internationally renowned experts are the base and well of society s

fortune in a humane paradigm Furthermore it is the very backbone of lifelong solidarity in inter generational relations and the very place where the readiness of taking on care and responsibility are experienced and learned The publication s underlying idea opens up two perspectives on the one hand differences and similarities in family life forms are chiselled out on the base of an international cooperation Simultaneously the international authors are called upon to express their ideas about their own country s future more distinctly and clearly thus distinctions and similarities of the respective paths of development are rather easily perceived

Gender Segregation Lena Gonäs, Jan Ch Karlsson, 2016-12-05 This insightful volume asks if and to what extent gender divisions in working life are changing The contributors discuss the implications from a labour market perspective and a family work level perspective which are combined to examine if and where patterns of gender integration can be found Research from several European countries is presented as well as from the US to provide comparative and international perspectives A wide range of related issues are tackled including questions of methodology and measurement as well as segregation patterns welfare state provisions and the use of parental leave The volume provides suggestions for integration at different levels of society and by applying a multidisciplinary approach and illustrating developments on different analytical levels the authors further the discussion on how integration can be pursued

Fatherhood Politics in the United States Anna Gavanas, 2010-10-01 Are fathers being marginalized in the contemporary family Responding to fears that they are the self proclaimed fatherhood responsibility movement FRM has worked since the mid 1990s to put fatherhood at the center of U S national politics Anna Gavanas s *Fatherhood Politics in the United States* analyzes the processes reveals the internal struggles and traces the myths that drive this powerful movement Unlike previous investigations that rely on literary or other secondary sources *Fatherhood Politics* works from primary ethnographic material to represent a wider range of voices and actors Interacting with and interviewing members of the most powerful and well known national fatherhood organizations Gavanas observed Promise Keeper rallies men s workshops and conferences on masculinity fatherhood and marriage Providing a detailed overview of the different organizations involved and their various rhetorical strategies Gavanas breaks down the FRM into two major wings The pro marriage wing sees marriage as the key to solving all social problems while the fragile family organizations worry about unemployment racism and discrimination Gavanas uses her extensive anthropological fieldwork as the basis for discussions of gender sexuality and race in her analysis of these competing voices Taking us inside the internal struggles tensions and political machinations of the FRM Gavanas offers a behind the scenes look at a movement having real impact on current social policy *Fatherhood Politics* is an essential work for anyone interested in the politics of masculinity parenthood marriage race and sexuality

Male Femininities Dana Berkowitz, Elroi J.

Windsor, C. Winter Han, 2023-02-14 Innovative essays that explore how men perform femininity and what femininity looks like without women What counts as male femininity Is it simply men behaving in effeminate ways or is it the absence of masculinity Male Femininities presents a nuanced critical collection of essays that highlight the extent to which male femininities are neither an imitation of femaleness nor an emptying of masculinity These innovative essays focus on both gay and straight men and transmasculine and genderqueer people in their construction and performance of femininity thereby revealing the possibilities that open up when we critically examine femininity without women Male Femininities asks What does femininity look like for men The contributors highly regarded scholars and rising stars cover a range of topics including drag queens cosmetic enhancements trans fertility and gender non conforming childhoods Male Femininities illuminates what happens when we decouple femininity from female bodies and how even the smallest cracks and fissures in the normative order can disrupt challenge and in some cases reaffirm our existing sex gender regime This volume pluralizes the concept of male femininities and leads readers through an exploration of how gender sex and sexuality are manifested in the United States today The Man Question Nancy E. Dowd, 2010-09-20 Among the many important tools feminist legal theorists have given scholars is that of anti essentialism all women are not created equal and privilege varies greatly by circumstances particularly that of race and class Yet at the same time feminist legal theory tends to view men through an essentialist lens in which men are created equal The study of masculinities inspired by feminist theory to explore the construction of manhood and masculinity questions the real circumstances of men not in order to deny men's privilege but to explore in particular how privilege is constructed and what price is paid for it In this groundbreaking work feminist legal theorist Nancy E Dowd exhorts readers to apply the anti essentialist model so dominant in feminist jurisprudence to the study of masculinities She demonstrates how men's treatment by the law and society in general varies by race economic position sexuality and other factors She applies these insights to both boys and men examining how masculinities analysis exposes both privilege and subordination She examines men's experience of fatherhood and sexual abuse and boys' experience in the contexts of education and juvenile justice Ultimately Dowd calls for a more inclusive feminist theory which by acknowledging the study of masculinities can broaden our understanding of privilege and subordination Social Research for our Times Claire Cameron, Alison Koslowski, Alison Lamont, Peter Moss, 2023-11-14 For 50 years researchers at UCL's Thomas Coram Research Unit have been undertaking ground breaking policy relevant social research Their main focus has been social issues affecting children young people and families and the services provided for them Social Research for our Times brings together different generations of researchers from the Unit to share some of the most important results of their studies Two sections focus on the main findings and conclusions from research into children and children services and on family life minoritised groups and gender A third is then devoted to the innovative methods that have been developed and used to undertake research in these complex areas Running through the book is a key strategic question what should be

the relationship between research and policy Or put another way what does policy relevant research mean This perennial question has gained new importance in the post Covid post Brexit world that we have entered making this text a timely intervention for sharing decades of experience Taking a unique opportunity to reflect on research context as well as research findings this book will be of interest to researchers teachers students and those involved in policy making both in and beyond dedicated research units and can be read as a whole or sampled for individual standalone chapters

Gender After Gender in Consumer Culture Elisabeth Tissier-Desbordes, Luca M. Visconti, 2020-12-23 Gender After Gender in Consumer Culture provides an updated discussion of how gender cuts across consumer culture in light of increasing gender fragmentation and integration with other identity positions Sex the biological distinction male female and gender which refers to a person's sense of being male female or any other combinations of these inform issues as varied as personal identity social interactions and market behaviours First contributions account for the increasing fluidity and or fragmentation of gender positions which reshape the interplay between consumers and marketers Second they provide a timely illustration of how consumption and markets concur in contrasting gender inequalities taken both individually and jointly e g at the intersection of ethnicity or positions of market marginalisation Third chapters question the role of gender in granting personal and societal well being as they reflect on the collective capacity of constantly undoing gender stereotypes Focusing on gender this book allows the reader to trace the links among cultural categories e g masculinity femininity gender identity social phenomena and market dis functioning The chapters in this book were originally published as a special issue in the journal Consumption Markets Culture

Reconciliation Policy in Germany 1998-2008 Cornelius Grebe, 2010-11-18 In all research the choice of object is primary and decisive This refers to the set of concepts which determines the delimitation among the totality of phenomena of those selected as objects of analysis Topalov 1979 446 In this quote Topalov addresses the fundamental illusion of empiricist research approaches that objects of inquiry are self evident givens The rejection of this empiricist illusion constitutes the foundation of this thesis This thesis modifies a contextual social constructionist paradigm of inquiry and combines it with a feminist standpoint in the analysis of policies claimed to be aimed at reconciling paid employment and care work in Germany from 1998 to 2005 1.1 Genesis of the study The present study developed out of three interrelated strands of our intellectual riosity which evolved triggered by an engagement with a discipline unique to the UK in its approach Social Policy First in what can be described as a fruitful intellectual adaptation process to a new discipline an initial interest in welfare state transformation in Eastern Europe developed into a keen interest in family policies

Routledge International Handbook of Masculinity Studies Lucas Gottzén, Ulf Mellström, Tamara Shefer, 2019-11-20 The Routledge International Handbook of Masculinity Studies provides a contemporary critical and scholarly overview of theorizing and research on masculinities as well as emerging ideas and areas of study that are likely to shape research and understanding of gender and men in the future The forty eight chapters of the handbook take an interdisciplinary approach to a range of topics

on men and masculinities related to identity sex sexuality culture aesthetics technology and pressing social issues The handbook's transnational lens acknowledges both the localities and global character of masculinity A clear message in the book is the need for intersectional theorizing in dialogue with feminist queer and sexuality studies in making sense of men and masculinities Written in a clear and direct style the handbook will appeal to students teachers and researchers in the social sciences and humanities as well as professionals practitioners and activists

Gender equality and welfare politics in Scandinavia Kari Melby, Christina Carlsson Wetterberg, Anna-Birte Ravn, 2009-05-05 Gender equality is often seen as a hallmark of the Nordic countries This book explores this notion by examining the meanings of gender that underpin policies in the Scandinavian welfare states historically and today The book focuses on three Scandinavian countries Denmark Norway and Sweden and explores the policy reforms that have occurred relating to family and care Beginning with the radical marriage reform carried through in all the three countries in the early decades of the 20th century the book progresses to explore contemporary challenges to the traditional model of equality including equal rights for fathers multiculturalism and a critical young generation The book focuses on differences as well as similarities between the countries and discusses the relevance of talking about a Nordic model Stressing the importance of viewing the concept of equality in its historical context the book critically investigates and discusses the Scandinavian success story portrayed in normative political theory and presents an historical analysis of the development of gendered citizenship rights It will be a valuable collection for researchers lecturers and graduate students who work with historical and contemporary studies on welfare state and gender models from different disciplinary or interdisciplinary perspectives

Parent Partnerships in the Early Years Damien Fitzgerald, 2010-07-15 Both home and school play a crucial role in the long term development of a young child yet many children experience a disjunction between their two worlds This book explores strategies for developing effective partnerships between teachers and parents for a more integrated approach

Father Involvement in the Early Years Marina A. Adler, Karl Lenz, 2017-01-18 An exploration the phenomena of contemporary fatherhood this book presents the current state of knowledge on father involvement with young children in six countries Finland Germany Italy Slovenia the UK and the USA

Fatherhood in Late Modernity Mechthild Oechsle, Ursula Müller, Sabine Hess, 2012-08-09 Changes in Fatherhood How do structural changes in the welfare state in gender relations and work affect concepts and realities of fatherhood The authors analyse cultural images and representations of fatherhood varieties of fatherhood in relation to social backgrounds organisational influences as well as the impact of political and legal interventions on configurations of fatherhood With an interdisciplinary approach this book's contributions investigate the sometimes contradictory relationship between cultural representations and social practices of fatherhood They contextualise diverse fatherhoods in various social backgrounds ethnicities ages and different national contexts Reflecting methodological challenges is crucial to the volume's approach Which parameters are used to quantify change Which links and interactions between cultural individual

organizational and societal dimensions do exist regarding the development of new social configurations of fatherhood How can the complex interaction between structural constraints and agency be analysed Can certain agents of change be identified How can social change be conceptualized This volume links to international comparative research and shows how fruitful it can be to break disciplinary boundaries
