Making Of An Un American

Y Pai

Making Of An Un American:

The Making of an Un-American Paul Cowan,1970

Bringing together foreign and domestic policy The Poverty of the World aims to offer a new answer to the question of why Americans became obsessed with poverty in the 1960s A history of how American liberals made sense of US power during a period of unprecedented affluence at home it uses intellectual and political biographies of major figures in postwar US social thought and politics to tell the story of how Americans invented the problem of global poverty and executed a war against it

Investigation of Un-American Propaganda Activities in the United States United States. Congress. House. Special Committee on Un-American Activities (1938-1944),1938 [Handbook of Legislative Research](#) Gerhard Loewenberg,1985

The Handbook of Legislative Research a comprehensive summary of the results of research on nineteenth and twentieth century legislatures is itself a landmark in the evolution of legislative studies Gathered here are surveys by leading scholars in the field each providing inventory of an important subfield an extensive bibliography and a systematic assessment of what has been accomplished and what directions future research must take *Hearings, Reports and Prints of the House Committee on Un-American Activities* United States. Congress. House. Committee on Un-American Activities,1968

Hearings Before the Committee on Un-American Activities, House of Representatives, Seventy-ninth Congress, First Session, on H. Res. 5, to Investigate Estados Unidos. Congress. House. Committee on Un-American Activities,1946 *Anti-American Myths* Arnold Beichman,2023-05-09 In his probing new introduction to Anti American Myths which was initially published twenty years ago as Nine Lies About America Arnold Beichman notes a powerful fact what makes the United States unique is not only its military power nor its huge economy nor even its great technological innovations Rather what differentiates the nation from virtually all others is that there is no large scale territorial movement whose sponsors seek to secede from the country and to establish a new nation And yet anti Americanism has characterized a small portion of ideologists whom Beichman refers to as radical egalitarians These prophets of doom still abound Everywhere the glib accusations are leveled America is sick racist materialist aggressive decadent and only violent revolution can save it Even the collapse of the Soviet Union and of socialist regimes in Eastern Europe has not quelled the rhetoric of anti Americanism It is Beichman s aim to explain the roots of such persistent opposition to American society as presently constructed Tom Wolfe in his Foreword shrewdly observes This is not a book about America it is a book that uses the subject of the United States as a device with which to explore the modern intellectual s retrograde habits of mind Beichman finds nothing particularly amusing about what American intellectuals do to rationality and the English language let alone the common weal when they get on the subject of the United States But I for one find his demonstration of the hash these men have made of the mother tongue extremely entertaining When initially published Beichman s classic was termed powerful persuasive and credible a laser beam of fact and reason by the Los Angeles Times and a most valuable antidote to a lot of

cliche thinking and cliche thinking and cliche writing by the New York Times Edwin McDowell in his review for the WaH Street Journal reminds the reader that Beichman is not a rightwinger bent on defining the status quo but unabashedly a man of the left an important figure in the international trade union movement Anti American Myths will be of interest to intellectual historians political scientists sociologists and all readers interested in contemporary social and political affairs

Congressional Record United States. Congress, 1983 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

Hearings Before the Committee on Un-American Activities, House of Representatives, Eightieth Congress, First Session Estados Unidos. Congress. House. Committee on Un-American Activities, 1947 **Erving Goffman and the Cold War** Gary D. Jaworski, 2023-08-07 Erving Goffman and the Cold War presents a provocative new reading of the work of sociologist Erving Goffman Instead of viewing him as a marginal man or academic outsider Gary D Jaworski explores Goffman as a social theorist of the Cold War Goffman was deeply connected to both the ethos of his time and to a range of cold warriors and their critics such as Edward A Shils Thomas C Schelling and the researchers on brainwashing associated with the Walter Reed Army Institute of Research among others Chapters on loyalty betrayal secrecy strategy interrogation provocation and aggression concretely illustrate these connections Erving Goffman and the Cold War shows that Goffman was much more than a microsociologist of mundane life he was a perceptive analyst of the Cold War America *When Sorrow Comes* Melissa M. Matthes, 2021-04-13 Since World War II Protestant sermons have been an influential tool for defining American citizenship in the wake of national crises In the aftermath of national tragedies Americans often turn to churches for solace Because even secular citizens attend these services they are also significant opportunities for the Protestant religious majority to define and redefine national identity and in the process to invest the nation state with divinity The sermons delivered in the wake of crises become integral to historical and communal memory it matters greatly who is mourned and who is overlooked Melissa M Matthes conceives of these sermons as theo political texts In *When Sorrow Comes* she explores the continuities and discontinuities they reveal in the balance of state power and divine authority following the bombing of Pearl Harbor the assassinations of JFK and MLK the Rodney King verdict the Oklahoma City bombing the September 11 attacks the Newtown shootings and the Black Lives Matter movement She argues that Protestant preachers use these moments to address questions about Christianity and citizenship and about the responsibilities of the Church and the State to respond to a national crisis She also shows how post crisis sermons have codified whiteness in ritual narratives of American history excluding others from the collective account These civic liturgies therefore illustrate the evolution of modern American politics and society Despite perceptions of the decline of religious authority in the twentieth century the pulpit

retains power after national tragedies Sermons preached in such intense times of mourning and reckoning serve as a form of civic education with consequences for how Americans understand who belongs to the nation and how to imagine its future
