*Speaking of Freedom* George H.W. Bush, 2009-01-13 Through the lens of more than forty speeches from his presidency George H W Bush takes a special look back on the momentous global events of 1989 1992 the fall of the Berlin Wall the collapse of the Soviet Union and the liberation of Kuwait to name a few and reminisces about what it was like to be president through such unprecedented times Choosing from among the hundreds of speeches he gave while in office former president Bush selects those that meant the most to him and introduces

each one with candid comments recalling the circumstances and events leading up to it Although now in hindsight it seems that the end results were almost preordained at the time no one knew what would happen next Nothing was inevitable at all We learned quickly that words mattered he writes in the opening pages of *Speaking of Freedom* Selections throughout the book bring back the fascinating times of Lech Walesa Mikhail Gorbachev Vclav Havel and even Saddam Hussein when we watched as the idea of freedom seemed to spread all over the world It was a stunning time in world history and in these speeches the forty first president observes it from his perspective as commander in chief diplomat politician navy pilot and grandfather While many of the speeches deal with foreign affairs others cover freedom s spread within the United States including the signing of the landmark Americans with Disabilities Act and the historic Clean Air Act of 1990 President Bush s voice comes across perhaps most clearly when he is calling young people to lead a life of meaning and adventure that results only from serving others Showcasing President Bush s usual charm self deprecating wit and sharp perception these speeches mark the moments large and small that defined his presidency Through his words that motivated people all around the world to become involved in ideas that were bigger than themselves George H W Bush shows us what it means to be speaking of freedom

*School Life*, 1932 [Birth of Democratic Citizenship](#) Maria Bucur-Deckard, Mihaela Miroiu, 2018-10-01 What is it like to be a woman living through the transition from communism to democracy What effect does this have on a woman s daily life on her concept of herself her family and her community Birth of Democratic Citizenship presents the stories of women in Romania as they describe their experiences on the journey to democratic citizenship In candid and revealing conversations women between the ages of 24 and 83 explain how they negotiated their way through radical political transitions that had a direct impact on their everyday lives Women who grew up under communism explore how these ideologies influenced their ideas of marriage career and a woman s role in society Younger generations explore how they interpret civic rights and whether they incorporate these rights into their relationships with their family and community Beginning with an overview of the role women have played in Romania from the late 18th century to today Birth of Democratic Citizenship explores how the contemporary experience of women in postsocialist countries developed The women speak about their reliance on and negotiations with communities ranging from family and neighbors to local and national political parties Birth of Democratic Citizenship argues that that the success of democracy will largely rely on the equal incorporation of women in the political and civic development of Romania In doing so it encourages frank consideration of what modern democracy is and what it will need to be to succeed in the future
