*Making a Fast Buck* Andrew Niccol, 1986-01-01      *Mighty Fine Words and Smashing Expressions* Orin Hargraves, 2003  
Americans and Britons are exposed to unedited texts scripts and speech from one another's dialects at an unprecedented and accelerating rate. Most people have no trouble understanding the general meaning of language in the other dialect but readers and listeners very often fail to understand or misunderstand critical words references and allusions for lack of familiarity of the social and cultural contexts that underlie various usages. This book remedies this gap in understanding by cataloguing the differences that language users on either side of the Atlantic are likely to encounter in their dealings with the other dialect. By taking a culturally neutral stance it addresses the needs of both British and American readers and listeners. The thematic organization of the book allows the user to access language differences in various subject areas where words likely to be needed at the same time can all be found together. Chapters include Politics Law and Government Business and Money Medicine and Healthcare Education Food Clothing and Shelter Transportation Sports and Profanity and Obscenity in addition to basic information on orthography weights and measures etc. The appendices and extensive index provide a ready point of entry for quick look ups and there will be an extra chapter on Canadian Australian and Asian English.      **Allen's Dictionary of English Phrases** Robert Allen, 2008-08-07 Allen's Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken.
