Tototally Chill Christopher Lynch, 2012-05-30 Totally Chill The Complete Guide to Staying Cool is a stress management workbook that is meant to be read completed and used as much as possible by children themselves Its fun graphics and interactive style make it ideal for children grades 3 through middle school Everyone feels stress adults and children alike It is part of life But life can be a lot easier when we learn new skills and ideas to help us handle the stress in our lives When parenting teaching and working with children who have social emotional and or sensory sensitivities we often put the emphasis on learning new skills Countless hours are spent working on social skills fine and gross motor skills language skills and academic skills but stress management skills are often left unaddressed This is unfortunate as stress can create a multitude of challenges for learning and daily living In other words it can create barriers to the very things we are trying to teach Besides it can cause distress which can lead to meltdowns and behavioral outbursts In short it is crucial that children learn and develop skills to help them to manage their stress as independently as possible The Salmon Mysteries Kim Antieau, 2010-09-05 Demeter's search for Persephone her daughter lost in the underworld inspired the Eleusinian Mysteries a nine day celebration so powerful and awe inspiring much of it remains a secret to this day Now in a radical reimagining of this potent and ancient story renowned novelist and mythologist Kim Antieau updates the tale for modern sensibilities through the life cycle of a most remarkable creature the salmon Salmon live in two worlds salt water and fresh water They are shapeshifters transformers and finally pilgrims searching for home Relying on ancient sources and modern speculation Antieau writes about what happened during the nine day celebration of the Eleusinian Mysteries and offers a template for

creating your own mysteries to celebrate and honor the cycles of Nature your community and your life The Salmon Mysteries is mystical inspiration and a practical tool for transforming your life and your community You Are What You Are: Because of Who You Are The Victor, 2012-12-21 Seven salient points I want you to know and write in the marble of your heart Nothing just happens Anything good or bad happening to you is for a purpose you were born in riches or a rag for a purpose If you can identify with that purpose you will surely make your dreams a reality It is not what the enemy is doing to you that is killing you not the society you are in not the promises some politicians relatives and associates fail to keep not the family and community you came from it is what you have failed to do with yourself that is killing you Life failure is not the absence of opportunities but the absence of vision You will create whatever opportunities you want in life when you have a vision that is why you shouldnt fight your way to be in the presence of great men rather identify your gift and when you do it will make a way for you and bring you before great men If God can trust you He will increase your capacity to receive more from him And one of the reasons you are in the struggle and things dont seem to be working to your favor is because you have not earned Gods trust A man with a vision struggles less than a man without a vision to pursue goals to attain and targets to achieve Conceive your vision today and pursue it diligently because if you dont other people will hire you to pursue theirs God never created anybody useless if He knows you are useless why would He spend his resources to create you Your limitation is not entirely your situation but your understanding of who you are Biology is studied based on its definition same applies to life Your life is what you define it to be It would have been better if you were aborted at conception than to live through life not achieving your purpose Whom should I cry for the fellow who died untimely or the fellow that is alive and Jonny Lambert's Bear and Bird: Make Friends Jonny Lambert, 2022-09-13 A delightful picture book without a purpose now in ebook format for little ones that follows Bear and Bird and shows children that school is nothing to fear Meet Bear and his best friend Bird as they face their first day at school They can be shy when meeting new people and are worried that they won t fit in Will their classmates like them Is school really as scary as it seems Join Bear and Bird on their next adventure as they brave their first day of school and try their hardest to make friends With captivating illustrations by the popular artist Jonny Lambert and a delightful narrative this ebook is sure to enchant its little readers and ease any first day nerves they might have The third book in the charming Bear and Bird series Bear and Bird Make Friends gently introduces toddlers to friendship and the feelings that come with starting school Perfect for adults and children to read together this story will make for a wonderful read So come and join the fun **The Polyvagal Solution** Rebecca Kase, 2025-05-01 In an increasingly uncertain world it can feel like we re in a constant state of high alert fighting fleeing or flailing our way through daily life as best as we can Stress and emotional overwhelm are at the root of many common forms of suffering often wreaking havoc on our bodies and minds Drawing on the power of polyvagal theory and body based techniques this groundbreaking book reveals the secrets to conquering stress finding emotional balance building resilience and discovering
