Stauffer, 2009 To stay the course means to persevere through difficulty To stick with something means to not give it up Gospel means good news We need some good news today and God has it However the gospel offered today is often different from the gospel revealed by God in His word That has led to a lot of bad news The gospel must be accurate and true to what God has revealed We can't change the words of God and expect God to abide by conditions He never offered That is exactly what is happening in the church today The consequence of straying off course is spiritual dullness division and disillusionment The church is experiencing a kind of Dark Ages Because the church is in darkness the world is too But there is hope Throughout history the true gospel has been a powerful reality Stay the Course and Stick with the True Gospel based on a study of Galatians is a challenging call to discover and stick to the true gospel and sound biblical doctrine Pastor Claude T. Mallender,2011-06-16 Am I the only one who sometimes thinks that the Christian faith is just way too complicated Is it just me or do you sometimes think that what at first seemed so amazingly good and easy now suddenly seems inexplicably difficult Especially the longer you go along the road of Christianity It seems to start off really simply sitting at the cross accepting the fact that Jesus loved me and died for me and just coming to him just as I am like that is all that matters In fact if like me you searched a long time for the truth the simplicity is almost too good to be true You get told that the amazing thing about grace is that it is free and anybody can receive it regardless And you come to Christ in awe and wonder and you think wow I didnt imagine it would be this easy God loves me enough to die for me and that is pretty much it All I have to do is believe and accept that love and thats it Wow Simple **THE TEACHING MINISTRY** GODS WORD GODS WILL
