Making Of Country Lawyer:

The Making of a Country Lawyer Gerry Spence,1996 The Making of a Country Lawyer is like Clarence Darrow s The Story of My Life the first hand account of a beloved American attorney a modern day folk hero a man who has devoted his life s work to the innocent and the damned With the simple power of John Steinbeck the bestselling author of From Freedom to Slavery now writes this painfully honest autobiography revealing how he became one of the greatest trial lawyers of our time 60 photos *The Making of a Country Lawyer* Gerry Spence,1996-06-01

The Making of a Country Lawyer is the firsthand account of a beloved American attorney a modern day folk hero a man who has devoted his life s work to the downtrodden and damned It is the story of a wayward son who at the age of twenty suffered an immense and tragic loss It is this single dark moment in Spence s life that transformed him preparing him to be a trial lawyer eventually handling such landmark cases as the defence of Randy Weaver and the vindication of Karen Silkwood This is the stirring memoir of a man who has captured the American imagination at a time when our belief in our values and in ourselves has been shaken to the core told as only Gerry Spence can **The Country Lawyer** F. Lyman Windolph,2016-11-11

These finely tempered reflections of a small city lawyer restate in a graceful and informal manner the true meaning of law and government to ordinary men F Lyman Windolph for twenty five years a prominent attorney in Lancaster Pennsylvania has handled almost every kind of legal case in his career and through his close association with his clients he has gained an understanding of their lives and problems which coupled with his wide legal knowledge and alert sense of the social questions of the present gives his essays a disarming and reassuring tone Lawyers especially will enjoy his discussion of his experience with various cases and the more general topics of the value of the jury system the difference between city and country trials the ethics of defending guilty clients But all will find the chapters on the meaning of democracy and liberalism and the indirect picture which the book gives of the day by day life in a small American community richly rewarding In the last instance two final essays one on the Pennsylvania Dutch religious sects and A Letter to My Father are particularly delightful Several of the chapters have previously been published in the Atlantic Monthly and other magazines *Just a Country Lawyer* Paul R. Clancy,1974 This engaging and objective biography gives us a comprehensive account of Ervin s life and career tracing his development from a shy romantic youth into the complex and mature man The author tells of the boyhood years in North Carolina the influences of family friends and history the college years World War I and Harvard as well as Ervin s frequently colorful apprenticeship as country lawyer judge state legislator congressman and senator Clancy brings to his task a thorough knowledge of Ervin developed while covering his activities prior to and during Watergate He has had many exclusive private interviews with the Senator his wife family friends and staff during which Ervin in particular shared many reminiscences anecdotes and stories which have not appeared before Country Lawyer George Kilbourne,2011-05-19 The Country Lawyer: Containing, Not Only Large Abstracts of the Several Acts of Parliament, on the Following Heads, But All the Doctrine and Adjudged Cases,

Etc John TRUSLER,1786 **Country Law Study for the Republic of China** United States. Army. Office of the Judge Advocate General,1959 Prepared at the direction of the Judge Advocate General of the Army American Law in the Twentieth Century Lawrence Meir Friedman,2004-01-01 American law in the twentieth century describes the explosion of law over the past century into almost every aspect of American life Since 1900 the center of legal gravity in the United States has shifted from the state to the federal government with the creation of agencies and programs ranging from Social Security to the Securities Exchange Commission to the Food and Drug Administration Major demographic changes have spurred legal developments in such areas as family law and immigration law Dramatic advances in technology have placed new demands on the legal system in fields ranging from automobile regulation to intellectual property Throughout the book Friedman focuses on the social context of American law He explores the extent to which transformations in the legal order have resulted from the social upheavals of the twentieth century including two world wars the Great Depression the civil rights movement and the sexual revolution Friedman also discusses the international context of American law what has the American legal system drawn from other countries And in an age of global dominance what impact has the American legal system had abroad This engrossing book chronicles a century of revolutionary change within a legal system that has come to affect us all **Law Enforcement in Indian Country** United States. Congress. Senate. Committee on Indian Affairs (1993-),2007 Humor of a Country Lawyer Sam J. Ervin Jr.,2014-02-01 Originally published in 1984 Senator Ervin s delightful collection of stories and anecdotes winds its way from his native Morganton through Chapel Hill and Harvard the military the North Carolina Supreme Court the United States Senate and Watergate It represents a lifetime of wit and wisdom told in the late Senator Ervin s inimitable style *The Law Student's Helper* ,1915 **Islamic thought in Southeast Asia: New Interpretations and Movements** Kamaruzzaman Bustamam-Ahmad,Patrick Jory,2013 Recent years have witnessed a remarkable growth in scholarship on Islam within Southeast Asia Underlying this scholarship is a desire to resolve pressing social and political problems facing Muslim communities an awareness of the significance of pluralism and cultural hybridity within Southeast Asian societies and the rapidly growing interaction between Southeast Asian Muslims and the outside world The chapters in this book represent some of the exciting new directions young scholars in Southeast Asia universities are taking Islamic Studies Themes covered include Islam and liberalism the diverse streams of contemporary Islamic thought neo Sufi movements Islam and human rights the growing influence of Islamic law Islam and democratic politics Islamic education and the relationship between Islam and ethnic identity **The Bulletin of the Commercial Law League of America** ,1914 **Senator Sam Ervin, Last of the Founding Fathers** Karl E. Campbell,2007-11-19 Many Americans remember Senator Sam Ervin 1896 1985 as the affable Bible quoting old country lawyer who chaired the Senate Watergate hearings in 1973 Ervin s stories from down home in North Carolina his reciting literary passages ranging from Shakespeare to Aesop s fables and his earnest lectures in defense of civil liberties and constitutional government contributed to the downfall of

President Nixon and earned Senator Ervin a reputation as the last of the founding fathers Yet for most of his twenty years in the Senate Ervin applied these same rhetorical devices to a very different purpose Between 1954 and 1974 he was Jim Crow s most talented legal defender as the South s constitutional expert during the congressional debates on civil rights The paradox of the senator s opposition to civil rights and defense of civil liberties lies at the heart of this biography of Sam Ervin Drawing on newly opened archival material Karl Campbell illuminates the character of the man and the historical forces that shaped him The senator s distrust of centralized power Campbell argues helps explain his ironic reputation as a foe of civil rights and a champion of civil liberties Campbell demonstrates that the Watergate scandal represented the culmination of an escalating series of clashes between the imperial presidency of Richard Nixon and a congressional counterattack led by Senator Ervin The issue central to that struggle as well as to many of the other crusades in Ervin s life remains a key question of the American experience today how to exercise legitimate government power while protecting essential individual freedoms

You Light Up Our Country Bob Herrin,2010-10-12 Dr Bob Herrin grew up on a dairy farm in Oklahoma He was taught respect and love for others He was energetic enjoyed working on the farm and helping his mother He was strong and quick and had unusual acuteness of vision and hearing Dr Herrin worked his way through high school college and medical school He worked forty hours per week graduated in four years and entered Medical School in Oklahoma with the highest grade point average in his class He became a general surgeon and entered practice in Marshall Texas in 1965 He worked a huge number of hours and took emergency call for thirty five years He was dedicated to his patients family and friends In You Light Up Our Country Dr Herrin presents his opinions formed during his many years as a surgeon on all the things he believes are affecting our country today including collected articles from newspapers magazines and TV which he uses to validate his opinions and facts He has great concern about changes in the legal system and government that he believes are injuring the people and nation He believes his major duty as a citizen is to provide little known truth and information that is essential to saving our country
