

The background of the title card is a high-contrast, slightly desaturated photograph of a ship's deck. A prominent yellow crane arm extends from the upper left towards the center. On the right side, a large red searchlight is mounted on a structure. The overall scene suggests a military or industrial setting, consistent with the theme of the movie.

Pennsylvania town of Gettysburg the battered and embarrassed unit ended the day hunkered at the crest of a cemetery topped hill south of the village Reinforcements fortified the position which extended eastward to include another key piece of high ground Culp s Hill The Federal line also extended southward down Cemetery Ridge forming what eventually came to resemble a long fishhook July 2 saw a massive Confederate attack against the southernmost part of the line As the Southern juggernaut rolled inexorably northward Federal troops shifted away from Culp s Hill and Cemetery Hill to meet the threat Just then part of the Army of Northern Virginia s vaunted Second Corps launched itself at the weakened Federal right The very men who had broken the Union army the day before resolved to break it once again The ensuing struggle every bit as desperate and with stakes every bit as high as the more famous fight at Little Round Top on the far end of the line imperiled the entire Union position Stay and fight it out one Union general counseled his peers The Confederates were all too willing to oblige Authors Kristopher D White and Chris Mackowski started their Gettysburg account in *Fight Like the Devil The First Day at Gettysburg July 1 1863* and continued it in *Don t Give an Inch The Second Day at Gettysburg July 2 1863* From Little Round Top to Cemetery Ridge Picking up on the heels of its companion volume *Stay and Fight It Out The Second Day at Gettysburg July 2 1863* Culp s Hill and the Northern End of the Battlefield recounts the often overlooked fight that secured the Union position and set the stage for the battle s fateful final day *Airpower in Literature* Kimberly K.

Dougherty,2022-08-08 The first century of airpower has ended yet few critics have addressed the literature that chronicles its human toll *Airpower in Literature* Interrogating the Clean War 1915 2015 offers fresh insight into this airpower century by placing literature of five major wars in conversation with the clean war discourse Kimberly Dougherty examines the paradoxical representation of aerial warfare that has allowed extensive airstrikes on cities and civilians while promising a cleaner method of waging war First suggested by early military theorists the notion of a clean air war one that would save lives through its speed and precision proved seductive in the twentieth century and continues to shape the rhetoric of airpower today The air war is perceived as clean the author argues when we see neither the aviator nor the targeted populations in the bombing dynamic Through analysis of fiction poetry drama and journalism from the ruins of World War I to the technologies of post modern war the author identifies counternarratives that make visible both aviators and bombed societies and present aerial warfare that is not clean but messy prolonged and imprecise This exploration encourages readers and writers to approach the next century of airpower with greater wisdom and empathy **Pictorial History of the Great**
