suffering I rarely spoke of the wartime atrocities I never returned to the country where death resided where streams of Jewish blood saturated the earth I couldn't bring myself to stand before the silent mass grave in Belzec where my parents my brother and my aunt lie buried together with hundreds upon thousands of Jewish victims I couldn't face the death of those I loved couldn't look into their eyes In my mind they live on Many years later vivid images from the monstrous war years began to appear frequently images that cast a shadow over my day to day life and burdened my mind I gradually became aware of my age too I was no longer young and already I felt under pressure to finally write down the story of my family All my life I had been haunted by the question of how I had survived the war where I had drawn the mental and physical strength that helped me to survive those tortuous years There is no explanation for my survival and yet I am certain that the upbringing that my parents gave me had a significant influence on my steadfastness and determination particularly in critical situations My parents brought my brother and me up with love and human values that I have carried with me through my life In moments of deepest despair and deadly peril hidden strengths awakened in me strengths that sharpened my senses and saved my life I strongly believe that the values installed in childhood will always stay with a person and develop into principles that a young person can take into independent life Had I not possessed these principles not even blind luck or sheer coincidence could have saved me As the only surviving member of my family I felt a moral obligation to immortalise in writing the fate of my family and their lives before and during the war up until their tragic deaths I had the extraordinary fortune of surviving and I have enough mental strength today to enable me to address the horrors of that time and to tell the story of my family The Nazis will not succeed in their appalling attempt at erasing my family's existence from this earth My parents and brother have no personal graves and no gravestone

Mascagni's oeuvre and discusses his complex relationships with such Italian cultural and political figures as Edoardo Sonzogno, Giacomo Puccini, Gabriele D'Annunzio, Luigi Illica, and Benito Mussolini. He also thoroughly chronicles Mascagni's bouts with manic depression, his marriage to Lina, and devotion to their three children, his grueling schedule of concert and operatic tours, his patriotism and bitter opposition to Italy's involvement in both world wars, and his passionate love affair with Anna Lolli. This richly textured biography will appeal to fans of the still beloved and popular *Cavalleria*, and it will introduce opera enthusiasts to the power, intensity, and melodic beauty of the brilliant composer's many other significant works. *The Musician*, 1901.
