busy dealing with life His beautiful girlfriend and band mate Lucy Whitman is pregnant with his baby Estranged by her parents Lucy has only Johnny to help her bring a child into the world The tiny sailboat they have called home for months is no place for an infant Their Nirvana interrupted Johnny senses things might never be the same He has never been more right Johnny and Lucy are not alone in experiencing change

Pleasure Island s favorite hot spot for live music and fun the beloved Flora Bama is no longer the tiny ramshackle honky tonk locals knew New ownership and a growing population brought a slew of changes that altered the dive once revered for its spontaneity overt tackiness and penchant for the unrefined The quintessential beach bar and ivory island strip loved by all has evolved prompting locals and old regulars to consider the unthinkable Seek good times fun and frolic elsewhere

Pleasure Island is no longer the quaint retreat The Mayor of Orange Beach and his developer cronies have unleashed a rash of dubious high rise condo construction projects that threaten to forever alter the gulf coast skyline and way of life With the help of their powerful allies in the state legislature new toll bridges and roads are being built to make it ever easier to get to the beach ensuring that the risky developments will be handsomely rewarded

Despite the obvious warnings few beach denizens realize their treasured existence hangs precariously in the balance Marginalized by his majority stock holding partners and the hardened victim of several past surprise disasters patriarch Joe Gideon is again in a quandary Upset with the greed motivating the government s misguided leadership Gideon feels it may be time to sell out and retire in the nearby haven of West Pensacola Florida That is until he hears of Johnny s newest challenges and realizes that everything he has worked so hard to create the beloved Flora Bama and the faithful community it supports is certainly worth fighting for

Johnny and Joe reunite with the familiar cast of local characters to devise a plan to prevent during an unprecedented pandemic and an unforeseen category two hurricane the destructive domino effect from occurring In order to save the island from certain ruin they must win the hearts and minds of the locals as well as defeat in court and at the ballot box the energy thieves who will stop at nothing to turn a buck at the expense of their beloved way of life in the name of progress

Trouble at the Alabama Florida Line the much anticipated sequel to They Met at the Alabama Florida Line by Chris Warner is another romantic satirical tale seeking to draw semblance to Southern living art failed politics and pop culture
