Leadership Congruency Model      **Alone in the Trenches** Esera Tuaolo, 2007-06-01 This is Esera Tuaolo's own searing story of terror and hope. A Samoan raised on a Hawaiian banana plantation, he had a natural talent for football. He went on to play for five NFL teams: the Green Bay Packers, the Minnesota Vikings, the Jacksonville Jaguars, the Carolina Panthers, and the Atlanta Falcons in the 1999 Super Bowl. But for the nine years he played professional football, he lived in terror that when his face flashed upon the TV screen, someone would divulge his darkest secret. Esera Tuaolo is gay. *Alone in the Trenches* takes you inside the homophobic world of professional football and describes fears that almost drove him to suicide. He evokes heartbreak over how his older brother Tua died of AIDS and hope when Esera, a deeply devout Christian, fell in love and started a family. Tuaolo emerges in these pages as a complex, intellectually curious, and fascinating individual defined neither by his choice of career nor by his sexual orientation. Booklist. Tough, tender, and brutally honest. Robert Lipsyte, former New York Times sports columnist. Even I was not prepared for his amazing life story. Billy Bean, author of *Going the Other Way*. Kitty Foth-Regner, 2008-04-01 This fascinating personal account chronicles a libertarian feminist agnostic's discovery of a dynamic faith where all the evidence points to Christianity.      *The Spirit of the Game* Paul Emory Putz, Assistant Director, Truett Seminary's Faith & Sports Institute. Paul Emory Putz, 2024-10-02 Displays of religious faith have become commonplace on America's baseball diamonds, basketball courts, football fields, and beyond. How did religion become so entwined with big-time sports in America? *The Spirit of the Game* provides the answer to this question by offering a sweeping history of the Christian athlete movement in the United States and its impact on American religion and the religion of sports.      *Reggie White* Susan M. Moyer, 2005 The life and career of Reggie White is remembered in this new book. *Reggie White: A Celebration of Life 1961-2004*. Fans can look back through the career of the Minister of Defense from his early days with the Philadelphia Eagles to his glory days with the Green Bay Packers to his retirement and untimely death in December 2004. Reggie White had a football career that will certainly place him among the all-time greatest defensive ends in NFL history. He was also the NFL's all-time sack leader at the time of his retirement in 2000. More than just a football player, Reggie White was an ordained minister and worked in developing programs for urban youth. Remember Reggie White in this commemorative book from Sports Publishing LLC, available early January 2005.      *The Sports Hall of Fame Encyclopedia* David Blevins, 2012 Provides a comprehensive listing including biographical information and statistics of each athlete inducted into one of the major sports halls of fame.
