In Love and War Alex Preston, 2014-07-01 In Love and War weaves fact and fiction to create a sweeping portrait of a city at war. The novel is told through the eyes, letters, and journals of Esmond Lowndes, who comes to Italy, a lost and lonely young man in the shadow of his politician father. Through his friendships with a striking cast of contemporary characters from the poet Ezra Pound to Alice Keppel, a former royal mistress, Esmond begins to leave his early disappointments behind him. On the cobblestones of Florence's many storied streets, he deepens his appreciation of art and literature and falls in love. With the coming of war, Esmond finds himself stranded in a city of enemies hunted by the malevolent Mario Cariti, head of the Fascist secret police. He retreats into the hills above Florence, taking with him a painting that has come to assert a profound hold over him. When the Nazis arrive, Esmond is drawn into Giustizia e Libertà, the Resistance movement, and is soon helping to spirit refugees to safety, to hide the city's Jews. With his lover Ada at his side, he is at the centre of assassination plots, shoot-outs, and car chases, culminating in a final mission of extraordinary daring. In Love and War is a novel that will take you deep into the secret heart of history, meticulously researched and full of period detail. It is a novel of art and letters, of bawdy raconteurs and dashing spies. With Esmond Lowndes, you will see the beauty of Florence as never before and feel the horror of war as it sweeps over the city's terracotta rooftops. Inspired by a host of real-life stories, In Love and War is both epic and intimate, harrowing and heartwarming.

Healing in the Hurting Places Karen F. Riley, 2011-08-16 Healing in the Hurting Places is a personal experience story and outreach for victims of childhood sexual abuse and those who want to help them. It sensitively focuses on the healing journey, how to recognize symptoms of abuse and offer help. Victims often feel alone; they don't know where to turn or may believe no one will understand. Author Karen Riley speaks to that place of pain and takes you on the healing journey that transformed her life. This is not about the tragic event but about where to go now. I want them to know that they are not alone and there is One who can heal their broken hearts, writes the author. Others who will benefit from this story of hope and healing: those affected by alcoholism, drug abuse, domestic and other physical or verbal abuse, and those who are involved with them. And the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus. Philippians 4:7. Many victims share similar characteristics and traits as a result of abuse, which often manifest in the same behavior patterns. Healing in the Hurting Places is a springboard to empowerment and better understanding.

Ending Poverty Nancy Maeker, Peter Rogness, Ending Poverty invites people from varied faith backgrounds to commit themselves to the study of poverty issues and to just action on behalf of those who experience poverty and prejudice due to class. Stories from four different settings help define poverty, recognize communities of poverty, explore the hidden culture of class, and take a deeper systems view that shows how we are all one community. A practical guide for congregational study groups, this book is a call to action on behalf of the poor.
