burst forth following the punk movement the hedonistic joy of Absolutely Fabulous the lacerating scorn of Jimmy Carr Ricky Gervais and Jo Brand and the meteoric rise of socially conscious stand up today comedy can be many things and it is a cultural phenomenon has come to define Britain like few others In Different Times David Stubbs charts the superstars that were in on the gags the unsung heroes hiding in the wings and the people who ended up being the butt of the joke Comedians and their work speak to and of their time drawing upon and moulding Britons relationship with their national history reflecting us as a people and simply providing raucous laughs for millions of people around the world Different Times is a joyous witty and insightful paean to British comedy Crisis?
