**Records of Convocation XVIII: Ireland, 1690-1869, Part 2** Gerald Bray, 2006 The convocation records of the Churches of England and Ireland are the principal source of our information about the administration of those churches from middle ages until modern times They contain the minutes of clergy synods the legislation passed by them tax assessments imposed by the king on the clergy and accounts of the great debates about religious reformation they also include records of heresy trials in the fifteenth and sixteenth centuries many of them connected with the spread of Lollardy However they have never before been edited or published in full and their publication as a complete set of documents provides a valuable resource for scholarship This volume contains the incomplete acts of the lower house of convocation in the reign of Queen Anne as well as all the material dealing with the institution s survival after 1713 Of particular interest are the correspondence surrounding the act of union in 1800 and the political manoeuvrings leading up to disestablishment in the 1860s The volume also contains extensive appendixes including the Nova taxatio of Pope Nicholas IV for Ireland the Valor ecclesiasticus of Henry VIII and the surviving evidence of Irish clerical taxation from the middle ages to the late seventeenth century

[The Registers of Christ Church, Newgate, 1538 to 1754 \(Classic Reprint\)](#) Willoughby Aston Littledale, 2017-10-22 Excerpt from The Registers of Christ Church Newgate 1538 to 1754 The Register of Christ Church Newgate is written throughout on paper and is kept at present in a safe in the south or Vicar s vestry of the Church It is in a good state of preservation there being only a few instances in which the original entries could not be transcribed on account of their having been injured The Christenings Marriages and Burials contained in the following pages are separately classed in the original books of the Register and are comprised in five volumes numbered respectively 0 4 1 5 and 23 Volume No 0 contains the Register of Christenings Marriages and Burials from 1538 to 1588 and all the entries have been made in an uniform hand As appears by a note in the book it was written in 1586 by or more probably under the direction of the Churchwardens and it is evidently a transcript from an earlier Register In the Marriages however the year 1538 in the original has been altered by a later hand to 1542 and in the Burials to 1540 with a corresponding alteration in subsequent years until 1587 It has been thought better to adhere to the years as altered in the original book From 1588 until after the Fire of London in 1666 when the Church was destroyed the Register is missing It was probably destroyed at the same time as the Church About the Publisher Forgotten
