COUNSELING IN THE REHABILITATION PROCESS Gerald L. Gandy,E. Davis Martin,Richard E. Hardy,1999-01-01 This text represents a complete revision and update that provides the reader with a comprehensive overview and introduction to the field of rehabilitation counseling and services but also has applicability to the growing field of community counseling Part One the introductory section discusses and describes the basic foundations of the rehabilitative process Part Two the rehabilitation process provides the reader with an insightful appreciation and understanding of the rehabilitation

process In Part Three the counseling and psychosocial aspects of disability are traced from multiple points of view both theoretical and practical and psychodynamic Adlerian rational emotive behavioral and Gestalt perspectives are explored and examined The final section discusses special topics in rehabilitation appropriate for an introductory textbook but more suitable for an in depth examination The book s revisions include in part a greatly expanded chapter on the foundations of rehabilitation as well as a new historical aspects chapter Educational considerations have been expanded and incorporated into a chapter on the development of the rehabilitation counseling discipline Material on the rehabilitation process and occupational analysis and placement has been reorganized and includes new material on job development and placement New material has been included on counseling credentialing and substance use disabilities and material on international and multicultural perspectives has been reorganized and updated This outstanding text will be particularly useful in graduate introductory rehabilitation or community counseling courses and may be readily adaptable to undergraduate courses as well Additionally the book will be a very useful resource for rehabilitation or community counselor practitioners
