Burgin,Bill Marvel,2010-03-02 A remarkable eyewitness account of the most brutal combat of the Pacific War from Peleliu to Okinawa this is the true story of R V Burgin the real life World War II Marine Corps hero featured in HBO's The Pacific Read his story and marvel at the man and those like him Tom Hanks When a young Texan named R V Burgin joined the Marines 1942 he never imagined what was waiting for him a world away in the Pacific There amid steamy jungles he encountered a ferocious and desperate enemy in the Japanese engaging them in some of the most grueling and deadly fights of the war In this remarkable memoir Burgin reveals his life as a special breed of Marine Schooled by veterans who had endured the cauldron of Guadalcanal Burgin's company soon confronted snipers repulsed jungle ambushes encountered abandoned corpses of hara kiri victims and warded off howling banzai attacks as they island hopped from one bloody battle to the next In his two years at war Burgin rose from a green private to a seasoned sergeant fighting from New Britain through Peleliu and on to Okinawa where he earned a Bronze Star for valor With unforgettable drama and an understated elegance Burgin's gripping narrative stands alongside those of classic Pacific chroniclers like Robert Leckie and Eugene Sledge indeed Burgin was even Sledge's platoon sergeant Here is a deeply moving account of World War II bringing to life the hell that was the Pacific War Marines ,1994 **Self-Portrait with Russian Piano** Wolf Wondratschek,2020-09-08 A legendary literary figure who initiated a one man Beat Generation in his native Germany Wolf Wondratschek is eccentric monomaniacal romantic his texts are imbued with a wonderful reckless nonchalance Now he tells a story of a man looking back on his life in an honest Portrait of the Artist as an Old Man Vienna is an uncanny magical and sometimes brutally alienating city The past lives on in the cafes where lost souls come to kill time and hash over the bygone glories of the twentieth century or maybe just a recent love affair Here in one of these cafes an anonymous narrator meets a strange character like someone out of a novel a decrepit old Russian named Suvorin A Soviet pianist of international renown Suvorin committed career suicide when

he developed a violent distaste for the sound of applause This eccentric gentleman sometimes charming sometimes sulky sometimes disconcertingly frank knows the end of his life is approaching and allows himself to be convinced to tell his life story Over a series of coffee dates punctuated by confessions anecdotes and rages and by the narrator s schemes to keep his quarry talking a strained friendship develops between the two men and it soon becomes difficult to tell who is more dependent on whom Rhapsodic and melancholic with shades of Vladimir Nabokov W G Sebald Hans Keilson and Thomas Bernhard Wolf Wondratschek s Self Portrait with Russian Piano is a literary sonata circling the eternal question of whether beauty music and passion are worth the sacrifices some people are compelled to make for them A romantic in a madhouse To let Wondratschek s voice be drowned in the babble of today s literature would be a colossal mistake Patrick S skind international bestselling author of Perfume The Story of a Murderer In Search of Deeper Learning Jal Mehta, Sarah Fine, 2019-04-22 The best book on high school dynamics I have ever read Jay Mathews Washington Post An award winning professor and an accomplished educator take us beyond the hype of reform and inside some of America s most innovative classrooms to show what is working and what isn t in our schools What would it take to transform industrial era schools into modern organizations capable of supporting deep learning for all Jal Mehta and Sarah Fine s quest to answer this question took them inside some of America s most innovative schools and classrooms places where educators are rethinking both what and how students should learn The story they tell is alternately discouraging and hopeful Drawing on hundreds of hours of observations and interviews at thirty different schools Mehta and Fine reveal that deeper learning is more often the exception than the rule And yet they find pockets of powerful learning at almost every school often in electives and extracurriculars as well as in a few mold breaking academic courses These spaces achieve depth the authors argue because they emphasize purpose and choice cultivate community and draw on powerful traditions of apprenticeship These outliers suggest that it is difficult but possible for schools and classrooms to achieve the integrations that support deep learning rigor with joy precision with play mastery with identity and creativity This boldly humanistic book offers a rich account of what education can be The first panoramic study of American public high schools since the 1980s In Search of Deeper Learning lays out a new vision for American education one that will set the agenda for schools of the future **We Knocked Their Socks Off** Tim Bosworth PhD, 2024-12-15 KUDOS to We Knocked Their Socks Off Tim Bosworth s fine new biography of the Curtis String Quartet 1927 1981 The first string quartet trained in America at the Curtis Institute of Music in Philadelphia PA it was arguably the greatest string quartet in history At its retirement in 1981 the Quartet had been together longer than any other It was the first American quartet to perform in England and to tour Europe Twice It played in big cities where it was well known on college campuses in lobbies of banks and in small towns where no one had even known what a quartet was In its prime the Quartet s work was recognized as the gold standard for quartet playing Yet up to now it has still not received its due Left standing has been the false narrative that quartets began in America only after World War II That narrative sadly

has written the Quartet out of history This book writes it back in *On the Stage--and Off The Brief Career of a Would-Be Actor* Jerome K. Jerome,2019-01-10 *On the Stage and Off The Brief Career of a Would be Actor* was Jerome K Jerome s first published book It is a lightly fictionalised memoir rather in the style of *Three Men in a Boat* with its hapless narrator detailing his inglorious adventures in the lower reaches of the late Victorian theatrical world amongst its seedy theatres drunken actors and dodgy managers It is based on Jerome s own early experiences as an aspiring thesp The title and subtitle say it all It s an absolutely fascinating compendium of information on the day to day life of a jobbing actor told in Jerome s inimitably droll manner Goodreads

Preparing for Rehearsal Chris Pickles,2024-11-25 A resource for actors directors and writers both professional and in training this is a step by step practical guidebook to the pre rehearsal analysis of a script Its aim is to de mystify and organise the questions necessary to ask in order to prepare for a creative imaginative and fruitful exploration of a dramatic text in the journey towards rehearsal The language is unselfconsciously engaging and accessible uncluttered by alienating academic vocabulary It holds out a helping hand throughout the important and sometimes rather lonely time of preparation for rehearsal a time of exploration usually spent without the reassuring guidance of a director or dramaturg The volume takes the reader on a journey chapter by chapter from first reading of a script to arrival in the rehearsal room or film studio for the first readthrough or day of shooting The book maps out six investigations for the actor or director and most importantly the order in which those explorations should be tackled This book also forms the basis of any core text analysis module for students studying on professional acting theatre arts scriptwriting media and film or directing degrees at a university college or conservatoire level A professional director actor and writer this guide is also a result of Chris Pickles many years of experience not only in running workshops for theatre professionals but also teaching text analysis to actors and directors in training

Space Is the Place John Szwed,2020-04-30 Considered by many to be a founder of Afrofuturism Sun Ra aka Herman Blount was a composer keyboardist bandleader philosopher entrepreneur poet and self proclaimed extraterrestrial from Saturn He recorded over 200 albums with his Arkestra which dressed in Egypto space costumes played everything from boogie woogie and swing to fusion and free jazz John Szwed s *Space is the Place* is the definitive biography of this musical polymath who was one of the twentieth century s greatest avant garde artists and intellectuals Charting the whole of Sun Ra s life and career Szwed outlines how after years in Chicago as a blues and swing band pianist Sun Ra set out in the 1950s to impart his views about the galaxy black people and spiritual matters by performing music with the Arkestra that was as vital and innovative as it was mercurial and confounding Szwed s readers whether they are just discovering Sun Ra or are among the legion of poets artists intellectuals and musicians who consider him a spiritual godfather will find that indeed space is the place

Schubert's role in the paradigmatic shift to a new perception of song This valuable book seeks to bring Franz Schubert to life exploring his early years as a composer of opera his later years of ill health when he composed in the shadow of death and his efforts to reflect i *Painted Faces "on" and "off."* Charles Henry Ross,187? **On the Stage - and Off** K.
