industry's manufactured magic. He thinks Emma's business is built on lies; their fake friendship is ridiculous, and the whole rehearsal is an elaborate publicity stunt. He's not wrong. But he's also not prepared for Emma's sharp wit, hidden vulnerability, and the way she makes him want to stop observing life and start living it. As they navigate staged photos and media interviews, the line between performance and reality begins to blur. Emma finds herself falling for a man who sees past her professional facade to the woman she's been hiding. Liam discovers that the person he thought was all about surface appearances is the most authentic person he's ever met. But when their fake relationship starts feeling real, Emma's carefully constructed walls begin to crumble. She's spent five years protecting herself from the kind of love that could destroy her again. Can she trust Liam with her heart, or will letting down her guard lead to another devastating betrayal? Set against the backdrop of Chicago's elite wedding scene, *The Wedding Rehearsal* is a contemporary romance about the courage it takes to love authentically in a world obsessed with perfect appearances.
