fit these experiences to the scientific model she had learned Energy healing and such topics as subtle energy the effect of mind on healing and remote healing are usually perplexing to those used to an everyday materialistic worldview In the book energy healing is approached from the viewpoint of known modern science Could quantum physics give answers to energy healing After all one could say that according to quantum physics we are all one and the same vibrating energy at the subatomic level Besides quantum physics the book also addresses the questions of mind and consciousness The book has been written as an aid to those who wish to broaden their horizons or are already practicing energy healing yet could use tools for telling others about it The book is also meant for everyone who may be seeking support from complementary medicine About the Author Johanna Blomqvist Ph D is a physicist entrepreneur Reiki master teacher remote energy healer and internationally published author In her work she combines a wide variety of fields and methods in a unique way often discussing topics from the cutting edge and unconventional areas of science Blomqvist is also a sought after lecturer and trainer Blomqvist s first book From Quantum Physics to Energy Healing A Physicist s Journey to Mind and Healing was published on Amazon on May 2018 She has written also Hyperreality Beyond the Horizon where Physics Meets Consciousness 2021 and The Mystery of Water A Physicist s Dive into Our Deepest Essence In her book From Quantum Physics to Energy Healing A Physicist s Journey to Mind and Healing Dr Johanna Blomqvist provides a stimulating and informative introduction to the phenomenon of anomalous energy healing along with the story of her own journey of exploration I heartily recommend it to anyone who is drawn to the topic of alternative healing and desires to learn more about it Brenda Dunne President ICRL International Consciousness Research Laboratories [Sacred Heart Songs](#) Marie S. [The Truth Lies within the Heart & Soul](#) Kathleen Shasky, 2019-06-27 The main stories presented in this book are the stories in the Bible we grew up with as children These stories were significant to us then and even more so now with the hidden and missing pieces revealed within this book From Adam and Eve to David and Goliath and all the way through Jesus

s and Mary Magdalene's lives as well as Jaimee Barrington's life. You have only to put the pieces together after reading about the important parts that have been kept from you until now. The lessons of Jesus and Mary Magdalene with the many messages from the Angels, Ascended Masters and The Divine have been channeled to help humanity see their truth which is in each and every individual. You have only to look within to see that the truth lies within your heart and soul, setting you free.

The Art of Psychic Reiki Lisa Campion, 2018-10-01 From master Reiki teacher Lisa Campion comes The Art of Psychic Reiki, a one-of-a-kind step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful hands-on energy healing method from Japan that's been gaining in popularity over the last century, not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own methods, The Art of Psychic Reiki provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person with high levels of empathy, intuition and latent psychic abilities, a combination of intuition and inner knowing plus the ability to connect with higher wisdom. And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work, and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills with this guide, you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides and ground and protect yourself as a practitioner of this sacred healing art.
