**The Gospel of Jesus** John Davidson,2005 An uplifting study of Jesus his times and his teaching **World Christianity** Lalsangkima Pachuau,2018-07-17 Christianity is vibrant and growing in the non western majority world and Christianity is changing as a result Pachuau surveys the current trending approaches to recognizing and investigating world Christianity and explores the salient features of the demographic changes that mark a measurable shift in the center of gravity from the northwest part of the globe to the southern continents This shift is not just geographical World Christianity is ultimately about the changing and diversifying character of Christianity and a renewed recognition of the dynamic universality of Christian faith itself Christianity is a shared religion in that people of different cultures and societies make it their own while being transformed by it Christianity is translatable and adaptable to all cultures while challenging each with its transformative power Pachuau also charts the theological reestablishment of the missionary enterprise founded on understandings of God s mission in the world mission Dei a mission of cross cultural gospel diffusion for missionary advocates in the majority world but one of near neighbor missional engagement for the contagious Charismatic Christianity of the majority world This book is both a descriptive study and a thoughtful analysis of world Christianity s demographics life representation and thought The book also gives an account of the historical emergence of World Christianity and its theological characteristics using a methodology that stresses the productive tension between the universal and particular in understanding a fundamentally adaptable Christian faith **Encyclopedia of Reincarnation and Karma** Norman C. McClelland,2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices The Reappearance of Christ in the Etheric Rudolf Steiner,Former Senior Lecturer in Classics Stephen Usher,2003-08 The first chapter of the Acts of the Apostles describes Christ s Ascension And a cloud received him out of their sight As the disciples looked up two angels appeared and told them This same Jesus taken up from you into heaven shall come again in the same way as you have seen him go In 1910 Rudolf Steiner began a series of lectures announcing the advent of Christ s appearance in the sphere of the earth s etheric or life body At first he said only a few will

be aware of it but in time more and more people regardless of religious affiliation will be strengthened comforted and infused by the Christ's living presence Such Damascus experiences bespeaking a new natural clairvoyance Steiner argues will become increasingly common The Christ will become a living comforter he writes However strange it may seem it is nevertheless true that often when people even in considerable numbers are sitting together not knowing what to do and waiting they will see the etheric Christ He will be there will confer with them and will cast his word in such gatherings We are now approaching these times This collection contains Steiner's lectures on this theme as well as on important related questions such spiritual science and etheric vision the etheric vision of the future the etherization of the blood the Sermon on the Mount and the land of Shambhala the mysteries of comets and the Moon Buddhism and Pauline Christianity spirit beings and the ground of the world and the three realms between death and rebirth The Reappearance of Christ in the Etheric collects much of Rudolf Steiner's most important discussions of esoteric Christianity especially as it relates to the central place of the Christ being in world and human evolution
