Reinventing Paul

John G. Gager

Reinventing Paul:

Reinventing Paul John G. Gager, 2002-05-16 Throughout the Christian era Paul has stood at the center of controversy accused of being the father of Christian anti Semitism But have we misunderstood the man and his teachings for nearly 2 000 years In this highly accessible book John Gager challenges this entrenched view of Paul arguing persuasively that Paul s words have been taken out of their original context distorted and generally misconstrued Gager takes us in search of the real Paul using Paul s own writings Through an exhaustive analysis of Paul s letters to the Galatians and the Romans he provides illuminating answers to the key questions Did Paul repudiate the Law of Moses Did he believe that Jews had been rejected by God and replaced as His chosen people by Gentiles Did he consider circumcision to be necessary for salvation And did he expect Jews to find salvation through Jesus To all these questions John Gager answers no First he puts Paul s proselytizing in context Paul was an apostle to the Gentiles not the Jews His most vehement arguments were directed not against Judaism but against competing apostles in the Jesus movement who demanded that Gentiles be circumcised and conform to Jewish law in order to be saved Moreover Paul relied on rhetorical devices that were familiar to his intended audience but opaque to later readers of the letters As a result his message has been misunderstood by all succeeding generations Reinventing Paul brilliantly sets forth a controversial interpretation of Paul's teaching This thought provoking portrait is essential reading for theologians and lay people historians and philosophers Christians and Jews Navigating Paul Jouette M. Bassler, 2007-01-01 Jouette Bassler one of the foremost experts on Pauline theology offers her wisdom and insight into the core of Paul's thought in this brief and accessible book She focuses on major themes in Paul such as grace law faith righteousness Israel resurrection and what it means to be in Christ Through each of these themes she explores the wealth of Paul s various writings lifting up the most important and basic of Paul s ideas and explaining them within the context of the ancient Greco Roman world Apostle Paul Robert Orlando, 2015-02-26 The Apostle Paul's dramatic and much discussed conversion on the road to Damascus radically changed the course of his life as well as the Christian religion Can a new narrative and a new perspective be brought to this twothousand year old storyand centuries of critical thought and study The writer and filmmaker Robert Orlando believes it can Apostle Paul A Polite Bribe is a dramatic and challenging book inspired by his controversial film of the same name This ground breaking look at Paul s life draws on extensive research into Paul s letters and the book of Acts to reveal his human attitudes and insecurities Orlando constructs a fresh take on Paul s life especiallyhis collection for the Jerusalem church and proposes that Paul as one of Christianity's most celebrated converts may have needed more than faith and fervour to convince the other apostles to accept his vision of ministry Apostle Paul A Polite Bribe illustrates how a vision of promise eventually leads to a hopeless prison cell and ultimately a new religion challenging the traditional perspective and inspiring new thought about one of the best known founders of the Christian religion An Introduction to the Study of Paul David G. Horrell, 2015-02-26 This tried and tested introduction to Paul needs little

introduction of its own After considering Paul's importance and influence and the important sources for the study of Paul the volume covers the following key topics the earliest period of Christianity from Jesus to Paul Paul s life before and after his conversion his individual letters the major elements of his theology his attitude to Israel and the Jewish law perspectives on the Pauline assemblies including their socio economic location meeting places and attitudes towards women and Paul s legacy in the New Testament and beyond The volume has been revised throughout and fully updated with respect to bibliography and to presenting the latest debates surrounding Paul s thought in a manageable format including those around old and new perspectives with a new section on the radical new Jewish perspective and those related to the socio economic status and character of the Pauline assemblies The helpful study questions and reading lists have also been revised Nordic Paul Lars Aeimelaeus, Antti Mustakallio, 2008-08-21 This book contains essays on the letters and theology of the Apostle Paul from leading Pauline scholars The majority of the essays are based on papers given in the first Finnish national seminar on Paul held in the University of Helsinki in January 2007 Finnish contributions to scholarly discussion on Pauline theology have been widely recognized as challenging and thought provoking particularly in regards to Paul's view on the Mosaic Law and soteriology Heikki R is nen s view on Paul s inconsistent thinking about Law and other topics has served to polarize discussion among Finnish scholars The opening essay by Stephen Westerholm outlines the debate and its relation to international discussion The essays by Heikki R is nen Kari Kuula and Timo Laato are fruits of this on going discussion Niko Huttunen approaches the question of Paul and the Law from the Stoic point of view while Risto Saarinen examines its relation to the theology of Martin Luther Other principal topics include Paul's opponents and methodological discussion A comprehensive way to analyze Paul s argumentation is sought in Mika Hietanen s essay Lauri Thur n examines how Paul s rhetoric must be taken into account when deciphering historical information from his letters His essay takes Paul s opponents as an example The opponents are also dealt with by Lars Aejmelaeus and Nina Pehkonen Their essays focus on anti Pauline opposition in Corinth and the antagonists in Philippians respectively Paul's Corporate Christophany Rob A. Fringer, 2019-02-28 Paul's Christophany i e his Damascus Road Experience has been the subject of much scholarly analysis However treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul's Christology or to analyze Paul's experience of conversion and or call The current study focused on the undisputed Pauline epistles evaluates how and why Paul employed the various Christophanic references in their particular literary and sociohistorical contexts Through this assessment the importance of Paul's Christophanic references as part of his larger arguments is established It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community Furthermore this study demonstrates that Paul s Christophanic references do not primarily establish his apostolic status or assert his apostolic authority Through this study the corporate nature of Paul's Christophanic references becomes

increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul's understanding of his Christophanic experience Paul's 'Spirit of Adoption' in its Roman Imperial Context Robert Brian Lewis, 2016-01-28 Robert Lewis examines Paul's use of the phrase Spirit of Adoption in Romans 8 12 17 against the background of its Roman Imperial context in order to shed light on interpretation of Paul's Letter to the Romans Whereas other scholars have explored what Paul may have meant when he uses the term adoption Lewis instead explores the reasons behind Paul's coupling of it with the term spirit Having examined theories for a possible Jewish antecedent for Paul's use of this phrase and found them less than persuasive Lewis unlocks the data within the term's Roman Imperial context that significantly clarifies what Paul means when he uses the phrase Spirit of adoption Lewis shows that when Paul wrote his letter to the Romans adoption had become a feature of Imperial succession Roman religion gave a great deal of prominence to the Roman family spirit the genius The Emperor's genius became identified as a deity in Roman religion and its veneration was widespread in Rome as well as the provinces When Romans 8 12 17 is read against this background a very different kind of exegetical picture emerges Paul's Gentile-Jews J. Garroway, 2012-11-09 Drawing upon the concepts of cultural and linguistic hybridity developed by Homi Bhabha Salman Rushdie Mikhail Bakhtin and others Garroway suggests that the first generation of Gentile converts were uncertain whether they had become Jews or remained Gentiles in the wake of their Reading Paul's Letter to the Romans Jerry L. Sumney, 2012-11-13 In this volume leading scholars in baptism into Christ the study of Romans invite students and nonspecialists to engage this text and thus come to a more complete understanding of both the letter and Paul's theology The contributors include interpreters with different understandings of Romans so that readers see a range of interpretations of central issues in the study of the text Each essay includes a short review of different positions on a topic and an argument for the author's position set out in clear nontechnical terms making the volume an ideal classroom tool The contributors are A Andrew Das James D G Dunn Victor Paul Furnish Joel B Green A Katherine Grieb Caroline Johnson Hodge L Ann Jervis E Elizabeth Johnson Sylvia C Keesmaat Rodrigo J Morales Mark D Nanos Jerry L Sumney and Francis Watson That We May Be Mutually Encouraged Kathy Ehrensperger, 2004-04-15 Offers a compelling new look at Paul by placing the New Perspective in dialogue with feminism theology Not God's People Lawrence M. Wills, 2008-05-16 Using an array of biblical texts from both the Hebrew Bible and the New Testament Not God s People explores how ancient Jews and Christians created their own identity in relation to others The book analyzes how biblical texts define us and them how these texts differ in The So-Called Jew in Paul's Letter to the Romans Rafael Rodriguez, Matthew Thiessen, 2016-08-01 Decades ago Werner G Kummel described the historical problem of Romans as its double character concerned with issues of Torah and the destiny of Israel the letter is explicitly addressed not to Jews but to Gentiles At stake in the numerous answers given to that question is nothing less than the purpose of Paul's most important letter In The So Called Jew in Romans nine Pauline scholars focus their attention on the rhetoric of diatribe and

characterization in the opening argumentation that figure appears or is implied Each component of Paul's argument is closely examined with particular attention to the theological problems that arise in each In addition to the editors chapters of the letter asking what Paul means by the so called Jew in Romans 2 and where else in the letter's contributors are Runar M Thorsteinsson Magnus Zetterholm Joshua D Garroway Matthew V Novenson and Michele Murraywith a response by Joshua W Paul's Conundrum Amy Karen Downey, 2011-01-01 Was Paul an anti Semite Was Paul a self hating Jew Was Paul misunderstood and wrongly accused This is the debate that has been raging for almost two millennia Paul's conundrum seeks to answer these questions through an analysis of his two most controversial passages 1 Thessalonians 2 13 16 and Romans 9 1 5 Amy Downey has sought to reconcile these passages through a conservative evangelical approach that not only considers the Jewish man Paul but also Paul the Apostle of Messiah Jesus Downey considers the historical setting of the two passages analyzes the exegesis of the passages in question and seeks to respond to three separate but unique theological controversies that arise out of these letters She finds defective three modern positions 1 1 Thess 2 13 16 as a post Pauline interpolation likely expressive of Paul's anti semitism 2 the modern post Holocaust theory of dual covenants according to which Gentiles are saved through Jesus and the Jews through the Law of Moses hence all national Israel will be eschatologically saved and 3 replacement theology i e God has rejected the Jews as His chosen people and replaced them with believing Gentiles traceable to the Epistle of Barnabas and Ignatius of Antioch and in effect bringing the spiritual genocide of the Jewish people and making Rom 9 1 5 inexplicable Hopefully by the end of this book the reader will be left with only one question Just how far was Paul willing to go to realize the salvation of the Jewish people Downey opts instead for ethnic Israel's place in the covenant and for salvation solely through the death and resurrection of the Messiah for both Jews and Gentiles thus laying the foundation for urgently needed present day Christian witness to the Jewish people **Rereading Galatians from the Perspective of Paul's Gospel** Yung Suk Kim, 2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul's autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God through faith In Paul s logic what comes first is God s promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God's gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ's faithfulness and continue to proclaim the good news of God through Jesus Paul's Three Paths to Salvation Gabriele Boccaccini, 2020-09-29 We no longer need to separate Paul from Judaism in

order to claim his Christianness writes Gabriele Boccaccini nor do we need to separate him from the early Jesus movement in order to state his Jewishness With this guiding principle Boccaccini unpacks the implications of Paul s belonging simultaneously to Judaism and Christianity to arrive at the surprising and provocative conclusion that there are in fact three paths to salvation For Jews adherence to Torah For gentiles good works according to conscience and natural law For all sinners forgiveness through faith in Jesus Christ Paul s Three Paths to Salvation is an attempt to reconcile the many facets of Paul s complex identity while reclaiming him from accusations of intolerance Boccaccini s work in reestablishing Paul as a messenger of God's mercy to sinners is an important contribution to the ongoing conversation about Paul's place in the contemporary pluralistic world Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features. He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned Paul's Definitions of the Gospel in Romans 1 Robert Matthew Calhoun, 2011 Revision of missionary efforts in Spain the author's thesis doctoral University of Chicago God in Paul's Letters Timothy Milinovich, Normand Bonneau, Robert F. O'Toole S. J., 2023-06-29 In Pauline studies where Christological guestions have often carried the day Paul s understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul's seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul s views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in The New Perspective on Paul James D.G. Dunn, 2008 The New Perspective on Paul By author James D.G. Dunn Christ published on January 2008 by James D G Dunn 2008 Paul's Designations of God in Romans Wing Yi Au, 2023-08-03 Wing Yi Au investigates Paul s ways of characterizing God in Romans and finds that Paul s divine designations in the letter trace God's essential salvific activites Meanwhile special emphasis is put on the inclusion of Gentiles in God's plan of salvation

Reinventing Paul Introduction

In todays digital age, the availability of Reinventing Paul books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reinventing Paul books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reinventing Paul books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reinventing Paul versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reinventing Paul books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reinventing Paul books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reinventing Paul books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reinventing Paul books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reinventing Paul books and manuals for download and embark on your journey of knowledge?
