Simpson** Gary Eugene Keisling, Albert B. Simpson, 1999 Spiritual Disciplines in the Life and Ministry of A.B. Simpson Gary E. Keisling, 1999 Out of the House of Bread Preston Yancey, 2016-01-26 Spirituality needs fresh meaning Even the disciplines of the Spirit have gotten covered with dust and lay unused by Christians It is time for spirituality to get fresh meaning in our world and with God s people In *Out of the House of Bread* author Preston Yancey leads us in a new direction of spirituality through the symbolism and experience of the spiritual disciplines made plain by the baking of bread The benefits of this book of devotion include Finding a nearness to the holiness of God Feeling and experiencing the forgiveness of God Learning again the disciplines of celebration confession and conversion Each chapter pairs a spiritual discipline or practice with a baking discipline You will encounter ancient practices such as the prayer of examen lectio divina intercessory prayer icons and stillness Yancey shows how like in Brother Lawrence s kitchen in *The Practice of the Presence of God* that when you lift up your hands to God and pray God will show up right there in the midst of your work and livelihood while you bake *Out of the House of Bread* is a glorious celebration of the sacraments and the seasons of God meant as reminders and symbols to take us to God in worship An appendix about gluten free and vegan bread and the spirituality involved will close off the book **From Cloisters to Cubicles** David Srygley, 2015-02-06 Many have tried many have failed Spiritual disciplines meant to strengthen and encourage Christian living have become a source of frustration and disillusionment for many Christians Many of the books available are steeped in mysticism monasticism and non biblical language It doesnt take long for a Christian to begin thinking spiritual disciplines are so heavenly focused that they are no earthly good *From Cloisters to Cubicles* redefines spirituality spiritual disciplines and Christian maturity in such a way that any Christian can understand practice and grow through the practice of spiritual disciplines Instead of spiritual disciplines being focused on strengthening just the spiritual dimension of life they become exercises that strengthen ones everyday walk with God in this world To accomplish this goal spiritual disciplines must be understood as exercises in the reintegration of faith and life They should help Christians appraise all things as spiritual beings 1 Cor 2 15 and take every thought captive to the obedience of Christ 2 Cor 10 5 *From Cloisters to Cubicles* helps Christians bring the strength and guidance of the Holy Spirit back into their daily lives Christians can live in this world with all the power and wisdom meant for them as citizens of the kingdom of

God Christians really can have the kingdom life now If you are a beginner it will give you a place to start If you have already progressed from milk to meat it will provide a map for spiritual growth that can keep you absorbed for a lifetime Joe Barnett

The Life You've Always Wanted John Ortberg,2002 The heart of Christianity is about transformation about a God who isn't just concerned with our spiritual lives but who wants to impact every aspect of living It's realizing that God meets us not in a monastery but on Main Street and that all of ordinary daily life has the potential to be lived as if Jesus himself were the one living it Now expanded to include an added chapter on prayer and discussion questions designed to help small groups make the journey together The Life You've Always Wanted offers modern perspectives on the ancient path of the spiritual disciplines But this is more than just a book about things we should do if we want to be good Christians It's a road map toward true transformation compelling because it starts not with ourselves but with the object of our journey Jesus Christ Paved with humor and sparkling anecdotes The Life You've Always Wanted is an encouraging and challenging approach to a Christian life that's worth living Life on the edge that fills our ordinary world with new meaning hope change and a joyous growing closeness to Christ

Rumford,2022-01-10 *SoulShaping Second Edition* a book in Christian Living and Spirituality presents a readily accessible approach to the broad repertoire of spiritual disciplines that have nurtured God s people across the centuries The premise of *SoulShaping* is that spiritual growth and vitality are not automatic While God makes and shapes us God also calls us to join actively in shaping our spiritual lives Like a wise parent the Lord cultivates our maturity by not doing all the work for us God provides the raw material of personhood We are given the privilege of forming a healthy life from that raw material Readers initially learn how to diagnosis their spiritual condition using ten symptoms of soul neglect such as spiritual depression losing control over life s routine and vulnerability to temptation They learn five inadequate strategies for personal change including inspiration and will power Readers are shown how to engage the strategy that results in lasting motivation and change by developing a personal vision for their lives as disciples of Jesus Christ That vision becomes reality when readers cultivate the five vital signs of spiritual health and growth God s pace redeems our time God s presence fills our hearts God s perspective renews our minds God s power strengthens our wills God s purpose directs our steps Three specific disciplines support each vital sign For instance under the vital sign of God s pace redeems our time are three disciplines of Redeem Your Time Celebrate Sabbath Rest and Celebrate Sacred Moments After a clear explanation that includes biblical teaching practical stories and illustrations each discipline is summarized in easily referenced Guidelines for practicing that discipline The is also a chart that presents the most effective spiritual disciplines as remedies for their symptoms of soul neglect *SoulShaping* concludes with practical guidance on how to develop a plan of soul specific disciplines personally tailored to the readers season in their spiritual life and soul condition

Finding Freedom in Constraint Jared Patrick Boyd,2023-09-12 The constraints of the spiritual life practiced in community are what set us free and shape us into the way of Christ Re anchoring spiritual practices within monasticism

religious orders and the early church fathers these six core practices from Jared Patrick Boyd form in us greater freedom to become people who love as God loves

Practices of Love Kyle David Bennett, 2017-08-22 Spiritual disciplines are often viewed primarily as a means to draw us closer to God While these practices do deepen and enrich our vertical relationship with God Kyle David Bennett argues that they were originally designed to positively impact our horizontal relationships with neighbors strangers enemies friends family animals and even the earth Bennett explains that this horizontal dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant doable and meaningful for everyday Christians Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things such as think eat talk own work and rest Through personal anecdotes engagement with Scripture and vivid cultural references he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing renewal and transformation to our day to day lives and the world around us

The Making of an Ordinary Saint Nathan Foster, 2014-09-30 Nathan Foster was just a child when his father's classic *Celebration of Discipline* brought the spiritual disciplines into the popular evangelical consciousness More than thirty years later Nathan made his own journey into the spiritual disciplines As he sought day by day to develop habits that would enable him to live more like Jesus he encountered problems both universal and unique In this engaging narrative he draws insights from saints of old to uncover fresh ways of living for the contemporary postmodern Christian Through his successes struggles and failures Foster invites readers on a journey of freedom pain frustration and ultimately joy as he learns to rise above selfish desires laugh at his own failures and fall in love with God Those who have read *Celebration of Discipline* will find in Nathan's book creative new ways to practice the disciplines that have been so formative in their lives Those who are new to the spiritual disciplines will find that developing a vital interactive conversational relationship with God is within their grasp As a result the holy habits of love joy peace patience kindness goodness faithfulness gentleness and self control are truly possible for all Includes chapter openings and a foreword from Richard J Foster
