Saudi Clerics and Shi'a Islam Raihan Ismail, 2016-03-07 The Saudi ulama are known for their strong opposition to Shi'a theology Shi'a communities in Saudi Arabia and external Shi'a influences such as Iran and Hezbollah Their potent hostility combined with the influence of the ulama within the Saudi state and the Muslim world has led some commentators to blame the Saudi ulama for what they see as growing sectarian conflict in the Middle East However there is very little understanding of what reasoning lies behind the positions of the ulama and there is a significant gap in the literature dealing with the polemics directed at the Shi'a by the Saudi religious establishment In Saudi Clerics and Shi'a Islam Raihan Ismail looks at the discourse of the Saudi ulama

regarding Shiism and Shi'a communities analysing their sermons lectures publications and religious rulings The book finds that the attitudes of the ulama are not only governed by their theological convictions regarding Shiism but are motivated by political events involving the Shi'a within the Saudi state and abroad It also discovers that political events affect the intensity and frequency of the rhetoric of the ulama at any given time *Islam Between Culture and Politics* Bassam Tibi, 2005-08-31 Bassam Tibi offers a radical solution to the problems faced by Islam in a rapidly changing and globalizing world He proposes a depoliticization of the faith and the introduction of reforms to embrace secular democracy pluralism civil society and individual human rights The alternative to this is the impasse of fundamentalism The pivotal argument is that Islam is being torn between the pressure for cultural innovation and a defensive move towards the politicization of its symbols for non religious ends **Religious Liberty in Western and Islamic Law** Kristine Kalanges, 2012-04-19 Weaves together international and comparative law religion international relations comparative politics and legal history to illuminate and address the theoretical and practical dimensions of a significant human rights problem *History of Islamic Political Thought* Antony Black, 2011-07-31 A complete history of Islamic political thought from early Islam c 622-661 to the present Now in its 2nd edition this textbook describes and interprets all schools of Islamic political thought their origins inter connections and meaning It examines the Qur'an the early Caliphate classical Islamic philosophy and the political culture of the Ottoman and other empires It covers major thinkers such as Averroes Ibn Rushd and Ibn Taymiyya as well as a number of lesser authors and Ibn Khaldun is presented as one of the most original political theorists ever It draws on a wide range of sources including writings on religion law philosophy and statecraft expressed in treatises handbooks and political rhetoric The new edition analyses the connections between religion and politics covering the most recent developments in Islamic political thought and the most recent historical scholarship It ends with a critical survey of reformism or modernism and Islamism or fundamentalism from the late 19th century up to the present day *The Routledge Handbook of Terrorism Research* Alex Schmid, 2011-02-25 This major new Handbook synthesises more than two decades of scholarly research and provides a comprehensive overview of the field of terrorism studies The content of the Handbook is based on the responses to a questionnaire by nearly 100 experts from more than 20 countries as well as the specific expertise and experience of the volume editor and the various contributors Together they guide the reader through the voluminous literature on terrorism and propose a new consensus definition of terrorism based on an extensive review of existing conceptualisations The work also features a large collection of typologies and surveys a wide range of theories of terrorism Additional chapters survey terrorist databases and provide a guide to available resources on terrorism in libraries and on the Internet It also includes the most comprehensive World Directory of Extremist Terrorist and other Organizations associated with Guerrilla Warfare Political Violence Protest and Organized and Cyber Crime The Routledge Handbook of Terrorism Research will be an essential work of reference for students and researchers of terrorism and political violence security studies criminology
